***60th***  
*Anniversary*  
*1927-1987*

*As the summer months came to a close, the excitement of the new school year was on everyone's minds. The incoming Freshmen looked to the new year with curiosity and fear, while the graduating CLASS OF 1987 were filled with anticipation for their Senior year. While each individual had their own ideas and feelings about the new year, the entire student body played a special part in celebrating the 60th Anniversary of Titusville High School. As we look back over the last 60 years, we are filled with a certain awe and admiration for the development of a school which played a major part in each student's life.*

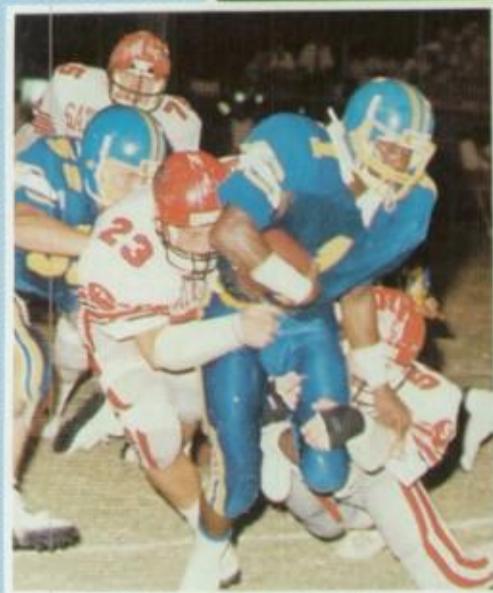

*With every year comes change, and this year was definitely full of many interesting changes. Not only was the landscape being changed around the school, but also new lockers were being installed along the walkway. Another big change was one dealing with administration. Our school was happy to welcome a new principal, Mr. Walter Christy. As students slowly adjusted to these changes, they started to become more comfortable with school and their classes. Although the beginning of school was well over with, many new and exciting activities were taking place around campus which kept the student body very busy.*

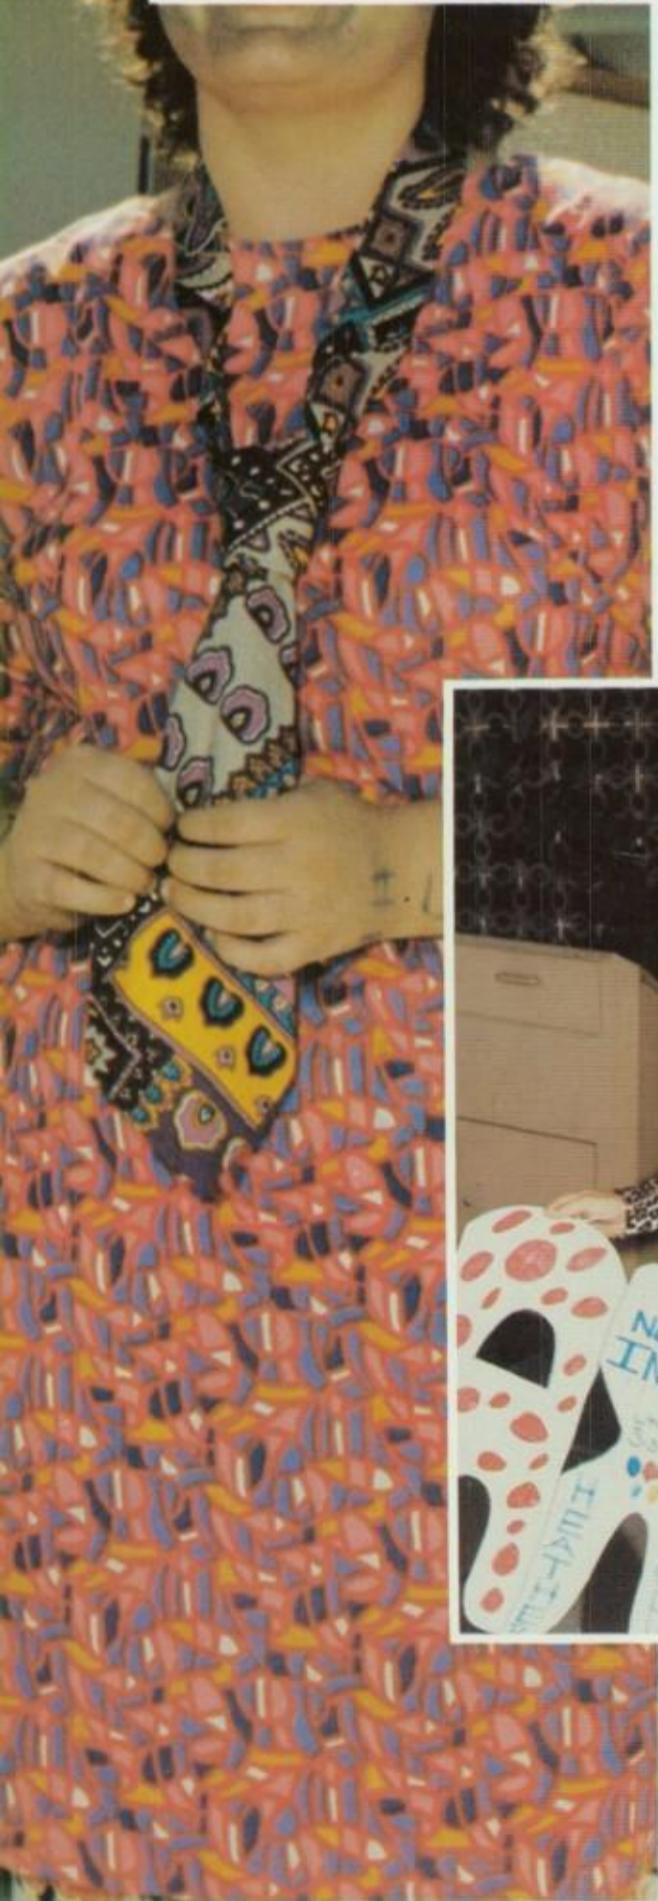

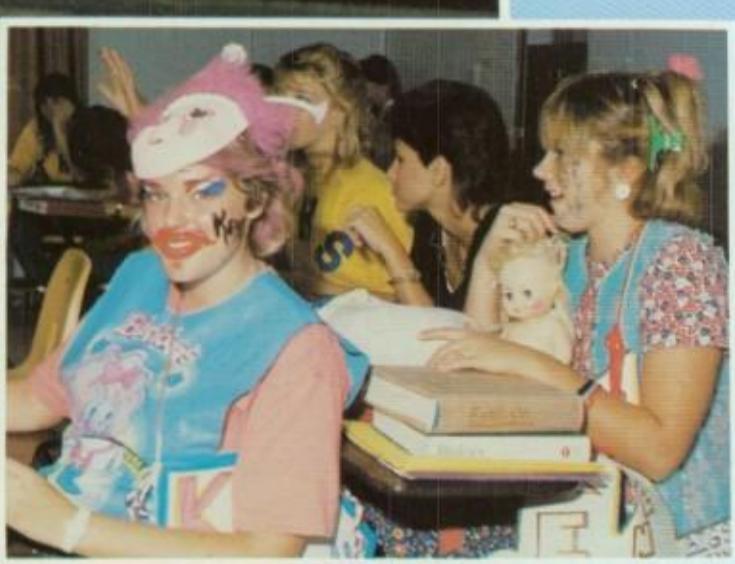

One aspect of Titusville High School which has remained the same for many years is our school spirit. Win or lose, students have maintained a great outlook on the activities in which they were involved. Of course, the well-known pep rallies were the major spirit raising functions and were the highlight of everyone's week! Another characteristic of Titusville High School was it's overwhelming support for the sports events. No matter which sport event took place, you were sure to see Terrier fans cheering in the stands. All year long, the atmosphere at T.H.S. was one filled with pride and enthusiasm!

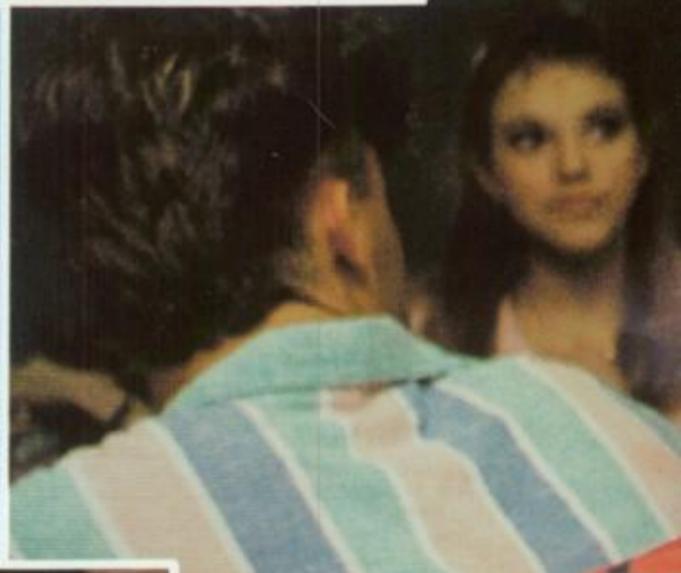

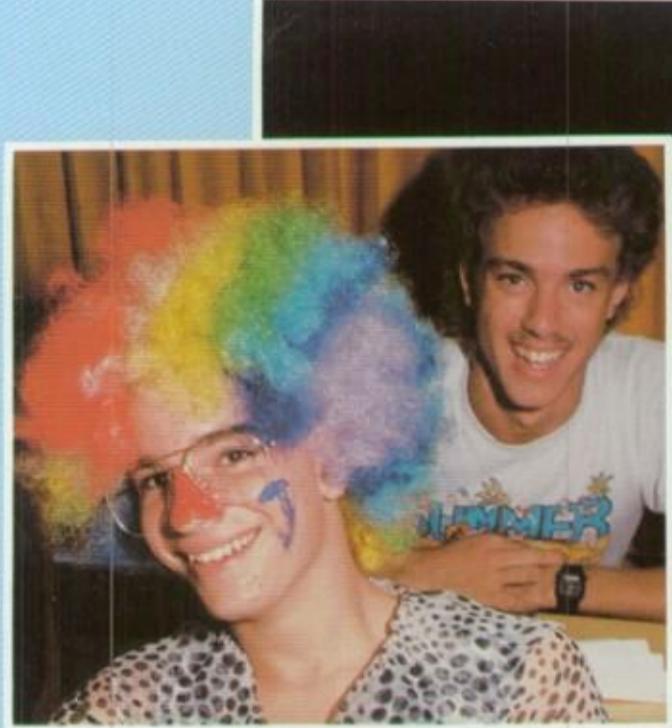

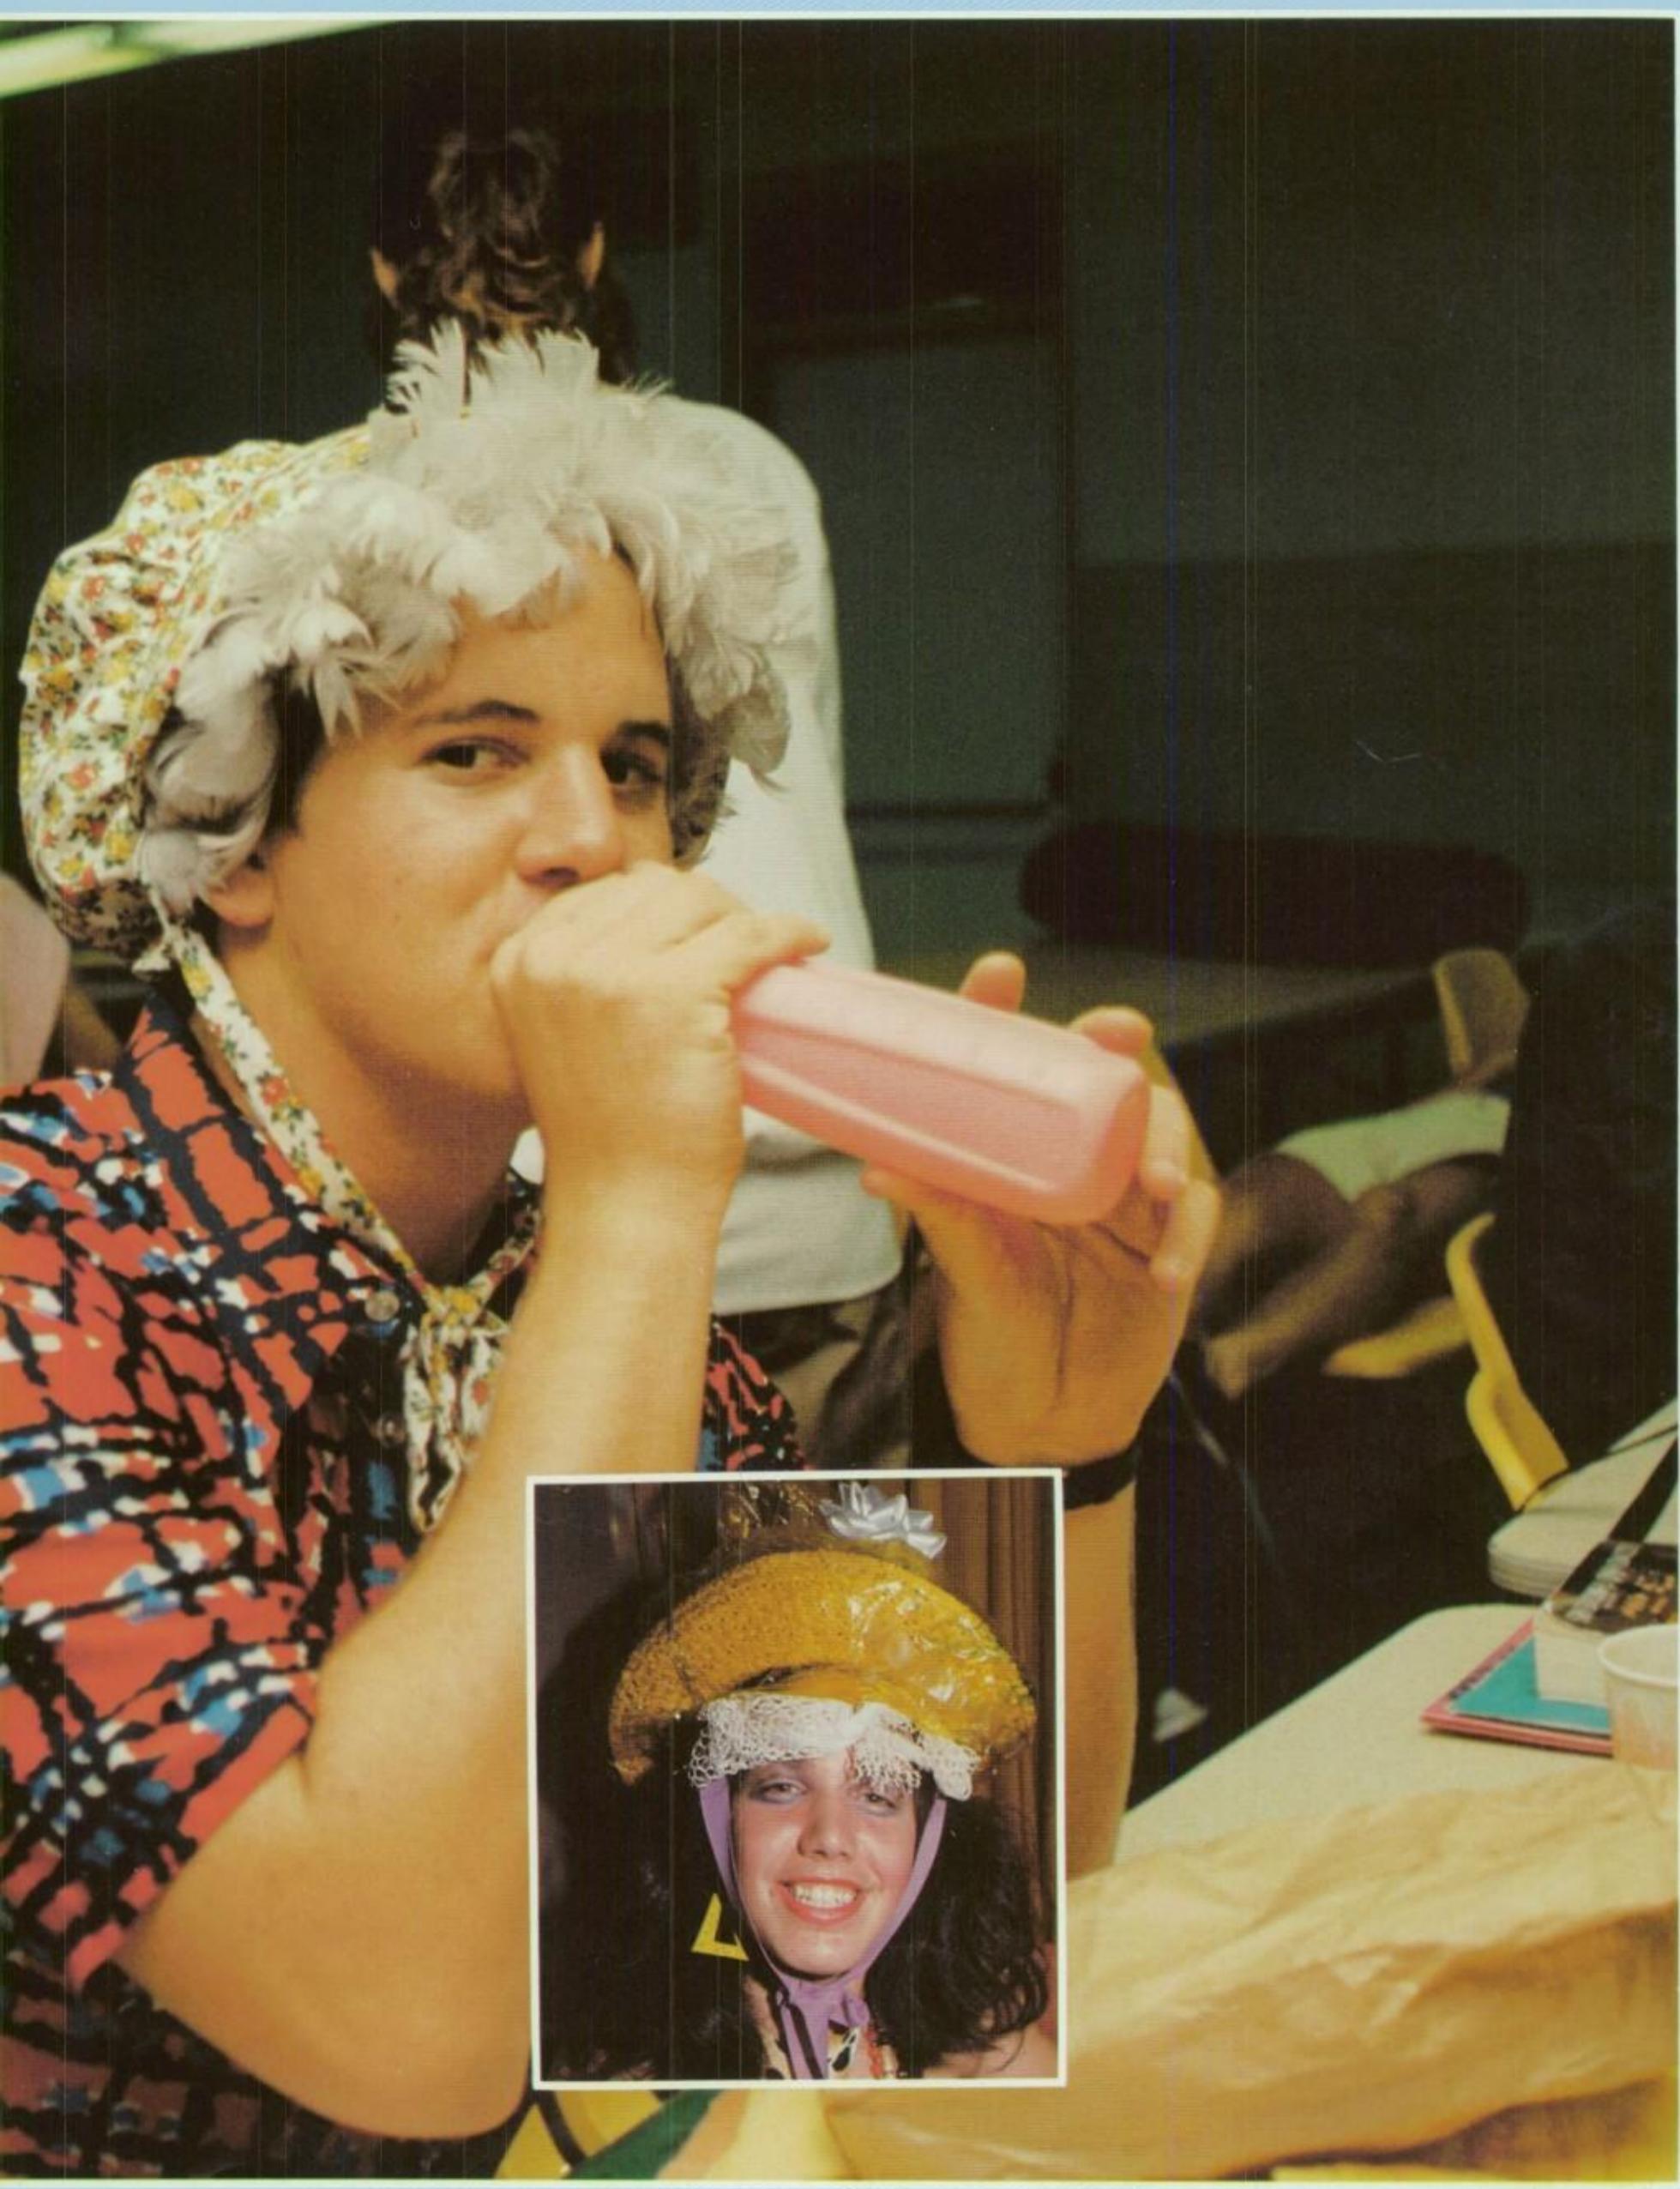

Once again, club initiation rolled around and brought with it the big decision of which club to try out for. The clubs competed fiercely to attract initiates, while the students were bewildered over which club was suited for them. For the girls, initiation day was one day that was not looked forward to. After finding out which club chose them as a member, the wonder of what lay ahead worried them. They were laughed at, teased, and just plain made fun of. The entire campus was dominated by initiates dressed up in ridiculous outfits who paraded around the halls singing and dancing. Everyone in the school took part in this traditional event and enjoyed the fun created by it.

*Guys also participated in initiation, but basically had a rougher time of it. Many guys were found wearing dresses, women's robes, and diapers. Club members took great pleasure in mixing up concoctions to spray on the initiates and making them do outrageous tasks. For some initiates, initiation day was one of the longest days of their lives. Some teachers also took part in this day by calling initiates to the front of their rooms to examine their costumes. All in all, this day was one to be remembered for years to come, and at 2:05, many were sad to see it end.*

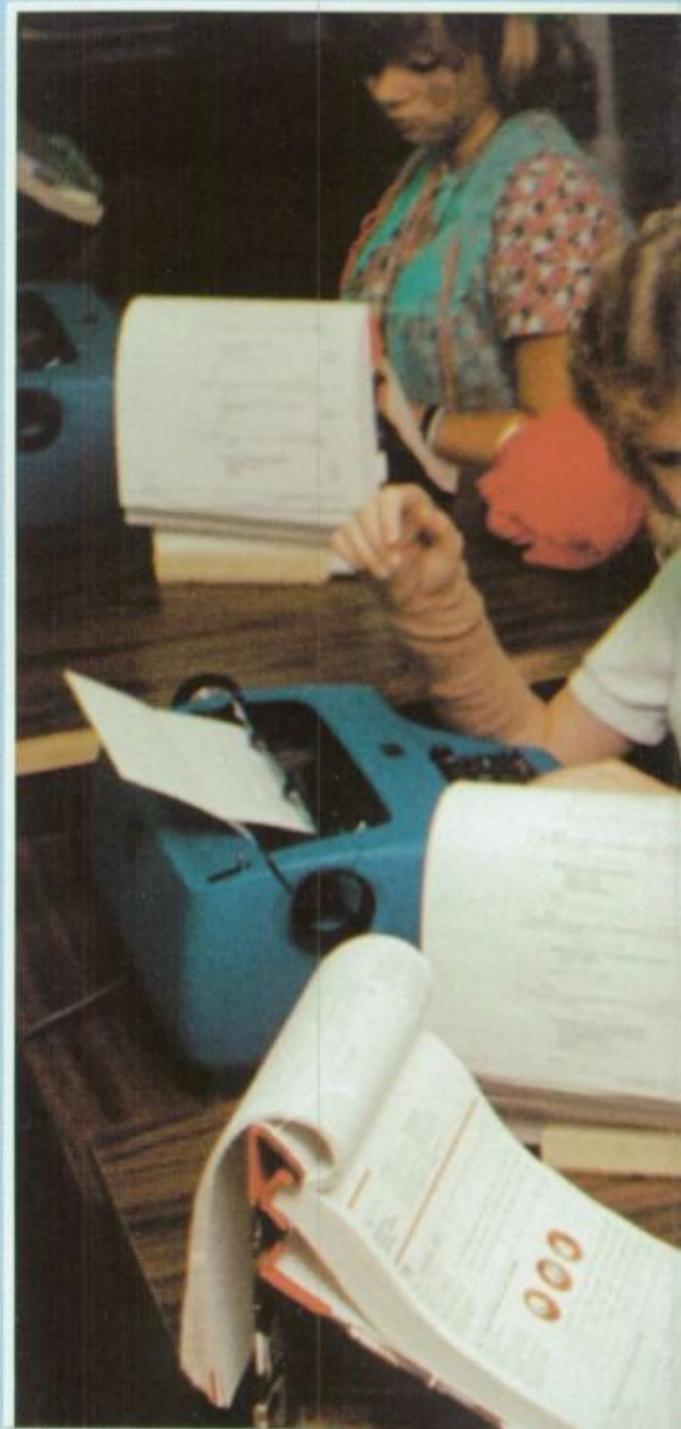

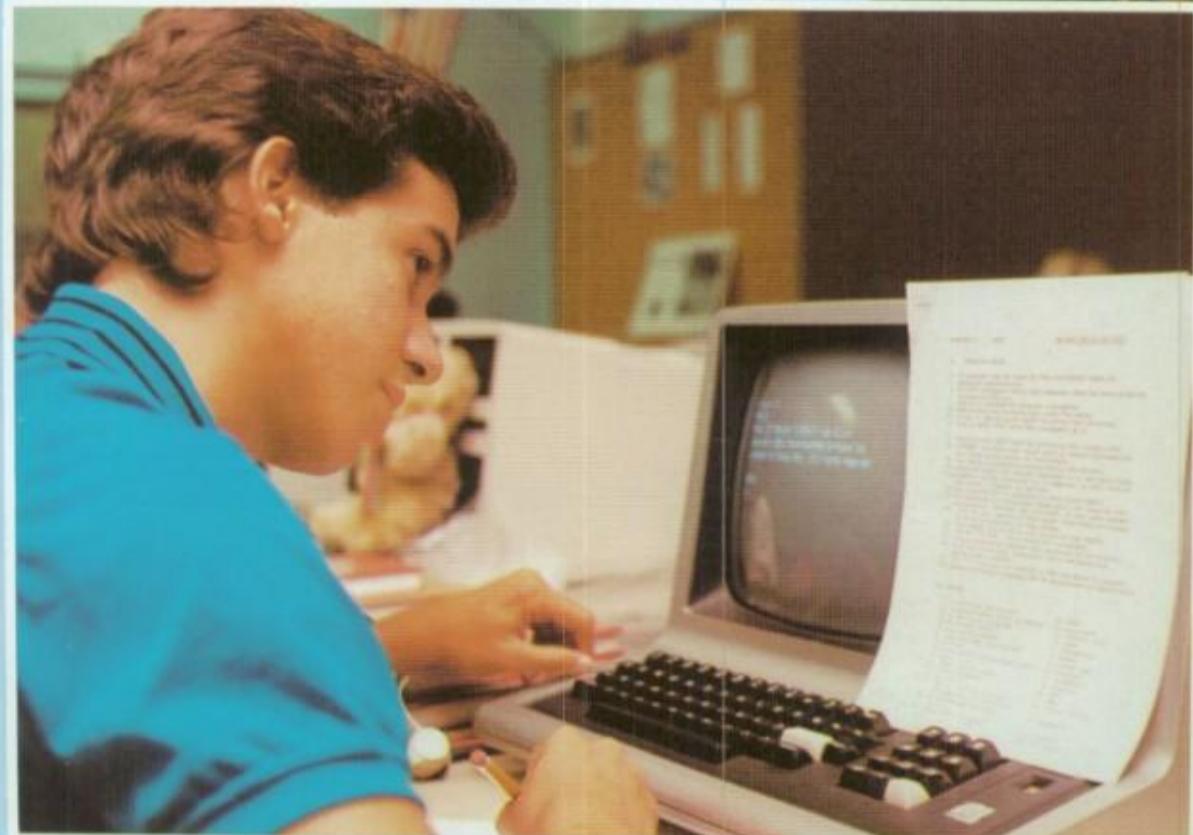

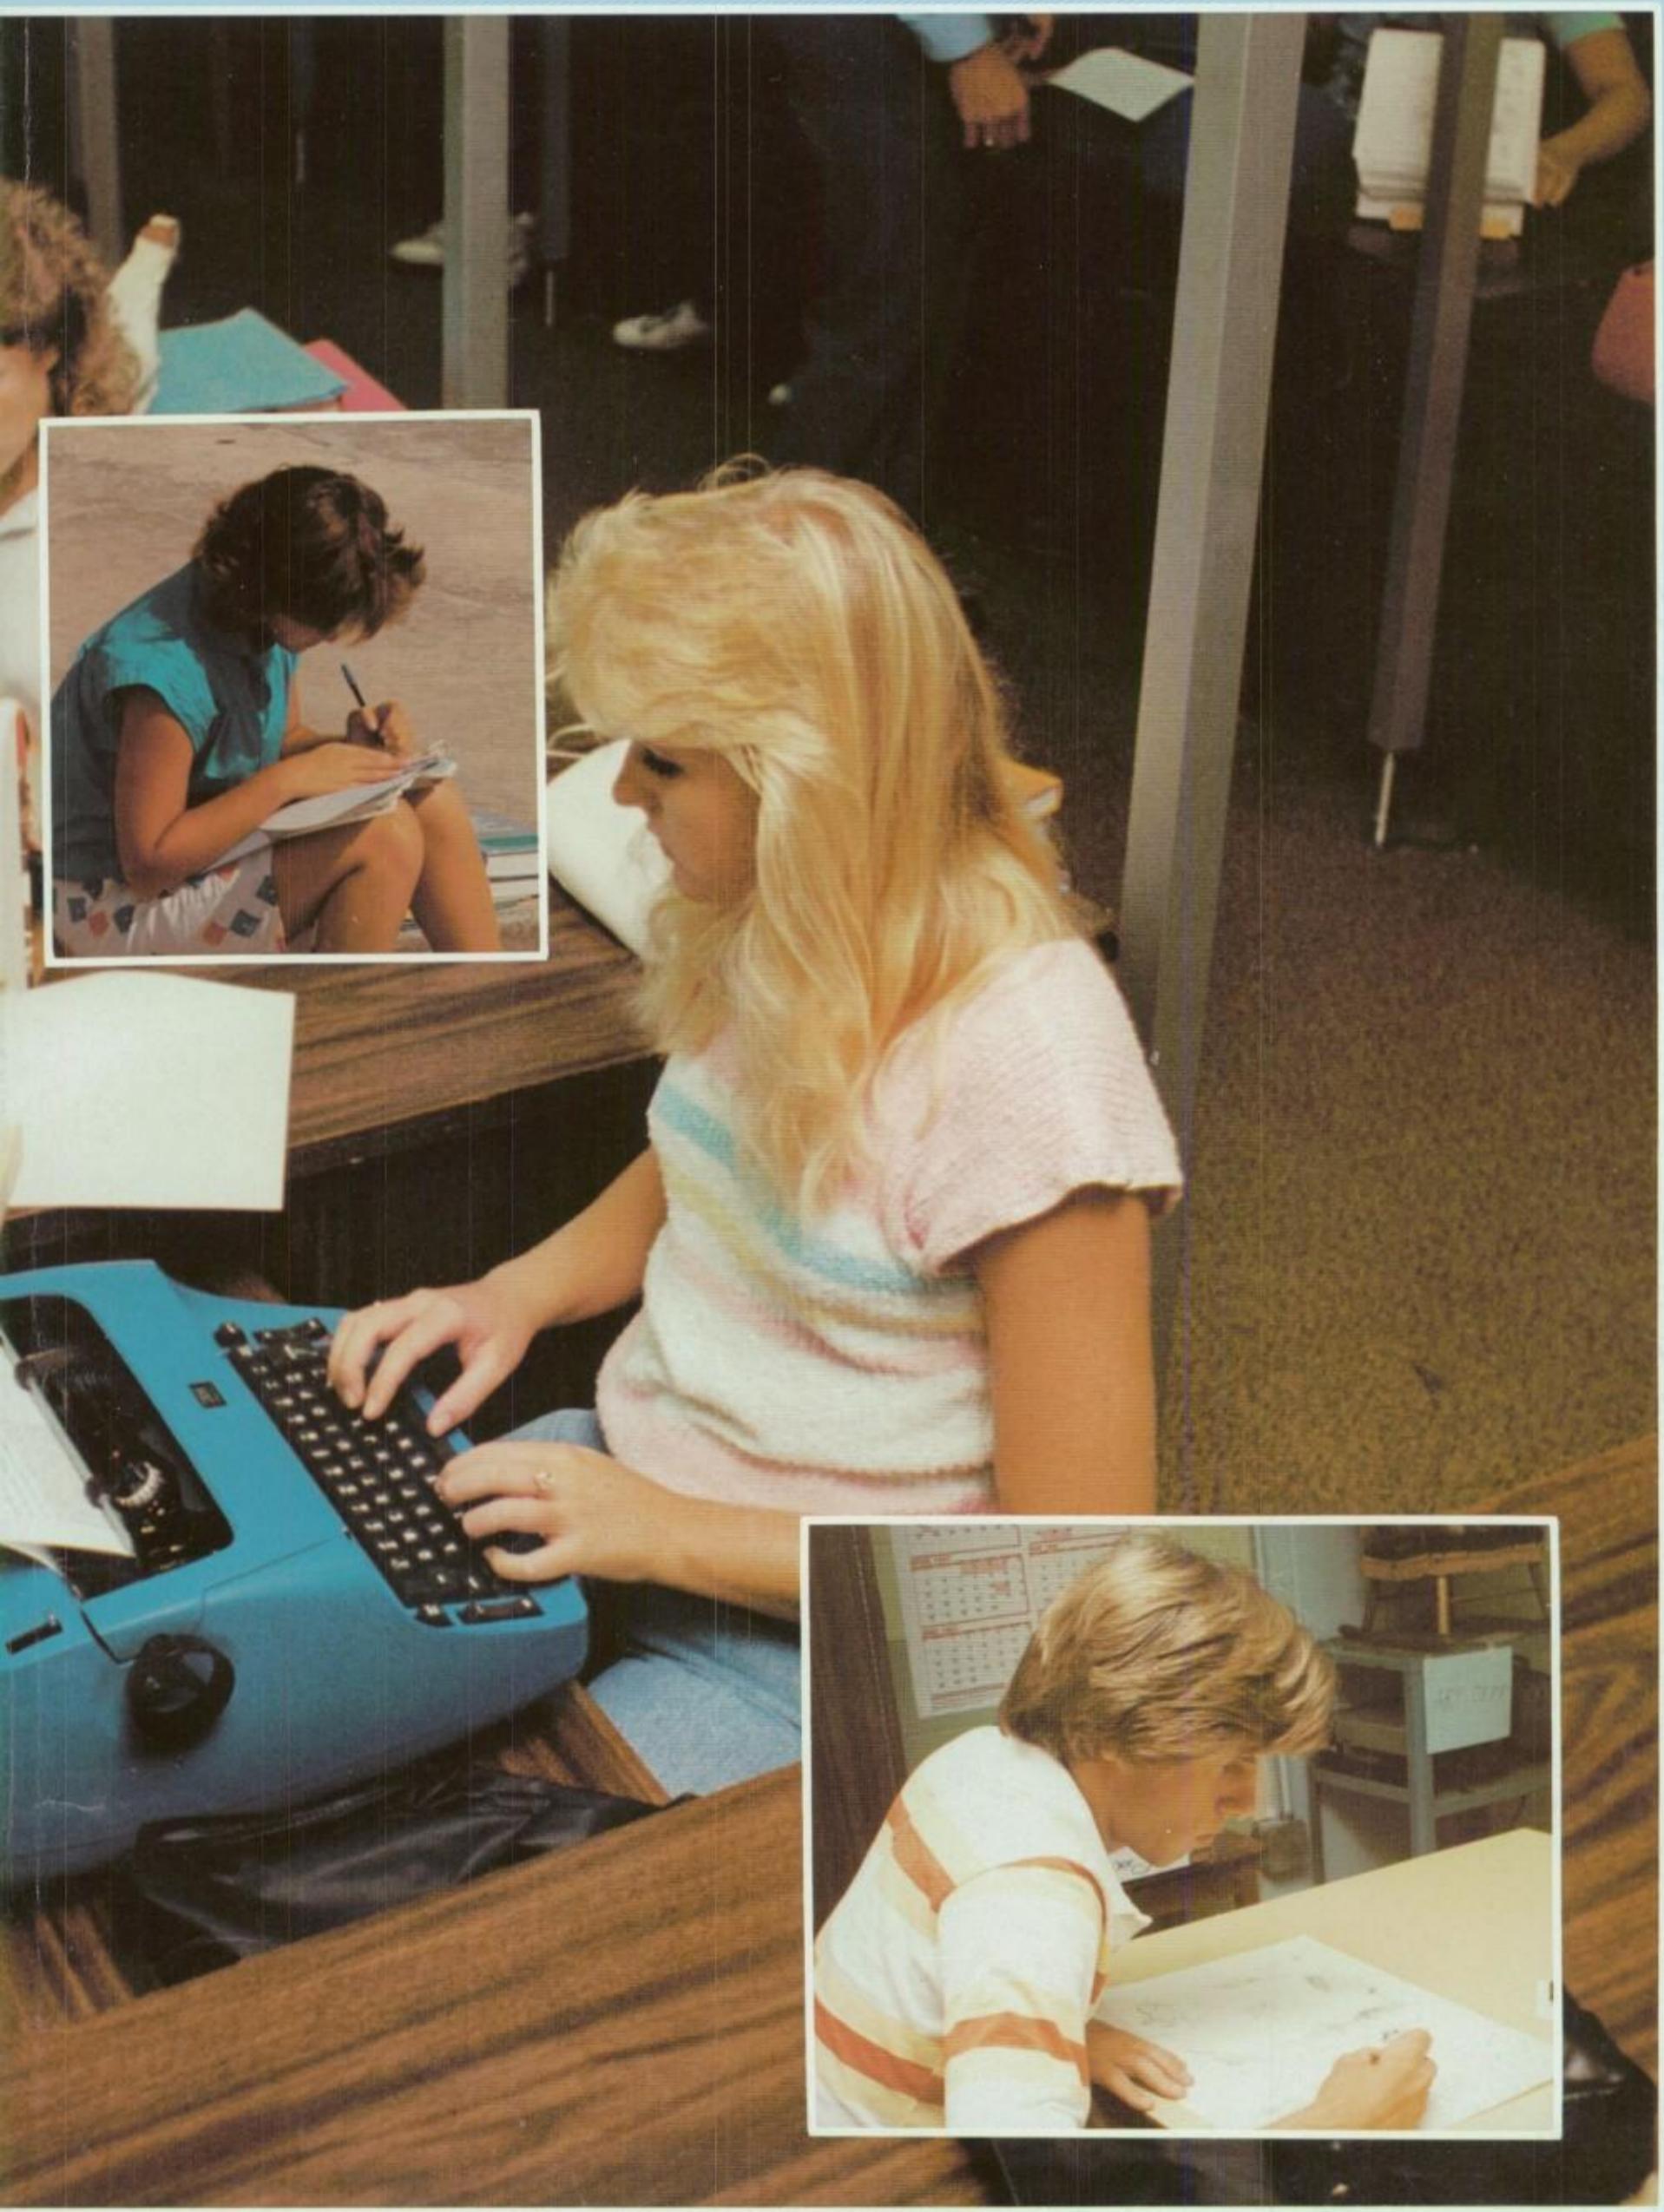

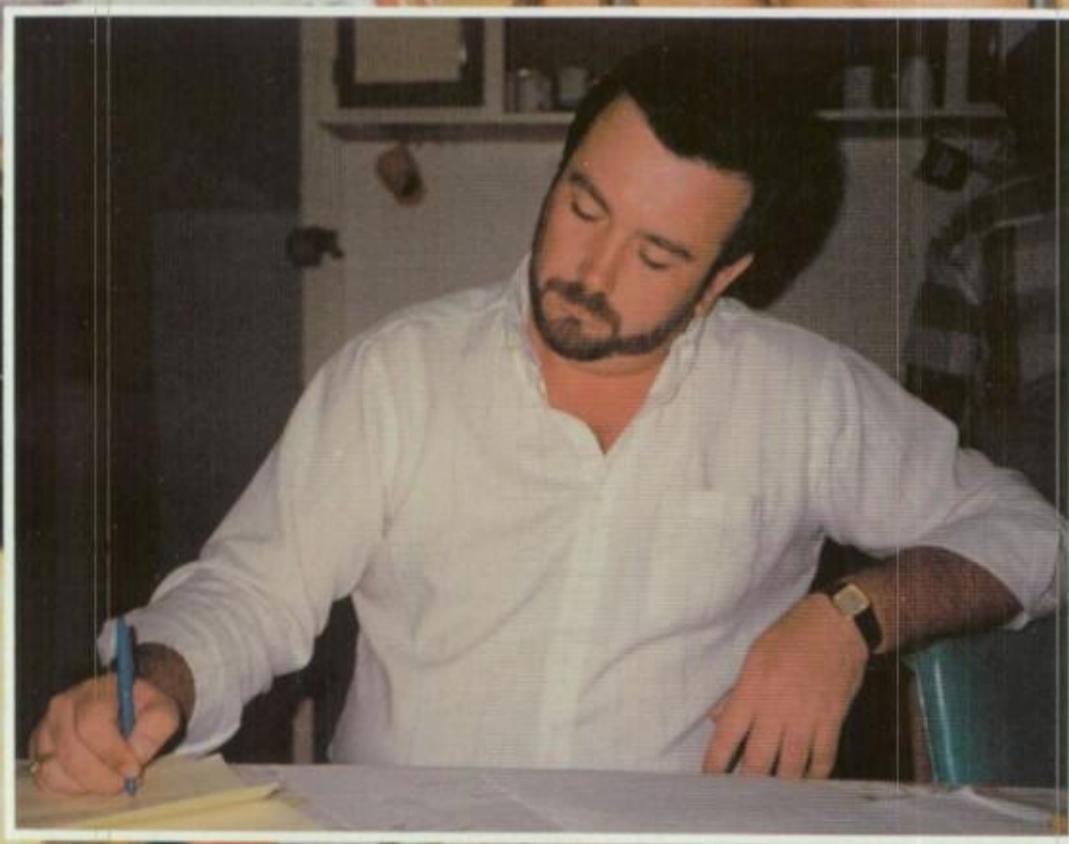

Many students at Titusville High School were involved in up to five or six extracurricular activities. After the last class of the day was over, the campus came alive with students in their various activities and clubs. Band, sports, service clubs, and academic clubs were some of the activities involving the majority of the students. Participating in these extracurricular events made students feel that they were "True Blue Terriers" in every way that they could possibly be. T.H.S. means much to the students that attend it, and to become a part of it through various activities makes being a Titusville Terrier very special and unique.

Aside from extracurricular activities, academics was the major reason for attending school. Trying to keep up with a hectic schedule was an achievement in itself. Many found that free time was quite a stranger for there was always an assignment to work on. Book reports, essays, exams, and term papers became our close companions. Many Juniors and Seniors found the PSAT, SAT, ACT, and achievement tests consumed a large portion of our time. Academic challenges presented to us were enough to boggle our minds for days, while keeping up with other activities was nearly impossible. Finally, the end of the year came and many students were found looking back on their accomplishments with a sense of relief and pride.

Cheerleading is so confusing!

Once again the Terrier's "Growl" initiated the school's Homecoming spirit with its outrageous skits. Five skits were presented on October 16, and three were chosen as winners. The five organizations that participated in this spirited event were Interact, Key, Keyes, Drama, and Concert choir with skits ranging from *Gilligan's Island* to the *Jetsons*. Interact's "Back to the Future" skit was awarded first place with its humorous imitations of various teachers. The second place skit went to Concert Choir portraying *Happy Days*, while Drama took the third place with a skit dealing with the *Star Trek* theme. In addition to the skit performances, the Terrier crowd was greatly entertained by the T-Ettes, Flag Corps, and the three cheerleading squads. The highlight of this evening was the introduction of the Homecoming court along with their fathers. Whether or not each student participated in the skits, everyone was thoroughly spirited and ready for the Homecoming events that followed. At the end of the "Growl", the field was lit up by the magnificent bonfire which always follows this event. Many people around the fire were found to be cheering or just looking on towards the beautiful flames that everyone created.

"I love rock and roll, da da da da . . ."

Cruizin' in style.

*October 17 was memorable evening for the 1986 Homecoming court consisting of nine anxious girls. The Titusville Corvette Club added special touches to this evening by driving the court around Draa Field before the Terrier fans. Representing the underclassmen were Freshmen representative Miss Dina Jo Lombardo, Sophomore representative, Miss April Wright, and Junior representative Miss Dawn Dyer. Eagerly awaiting the announcement of the 1986 Homecoming Queen were Senior representatives Miss Stephanie Fitzgerald, Miss Barbara Goodwin, Miss Carol Koromilas, Miss Barbara Pavick, Miss Cheryl Phillips and Miss Diana Riddle. As the excitement amongst the crowd began to build, the court became teary eyed in anticipation of the big announcement. The 1986 Homecoming Queen was announced to be Miss Stephanie Fitzgerald, who was then escorted off the field by Junior class officer Mr. Gino Patrizio.*

"Great! He just stepped on my toe."

"I'm so embarrassed!"

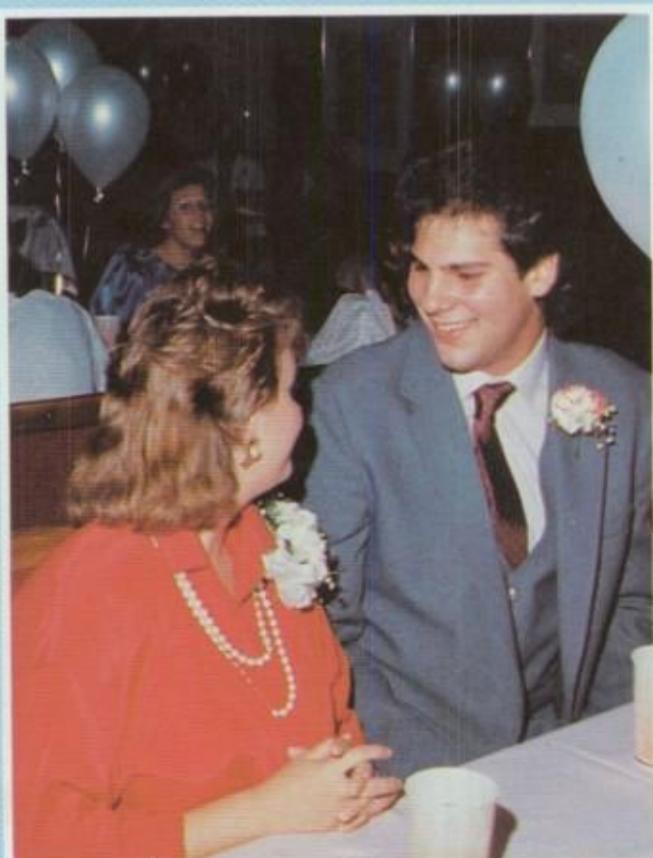

"I can see right through the other side."

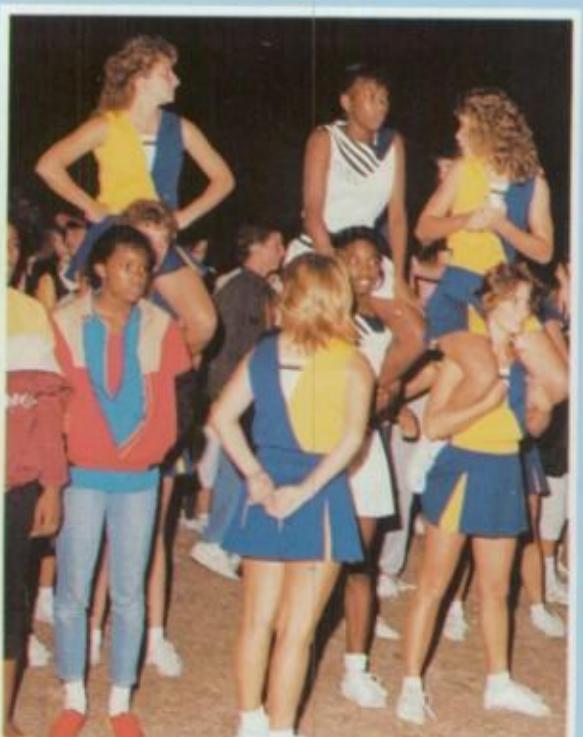

The traditional Homecoming dance was greatly looked forward to by all those involved with the Homecoming activities, which was the majority of the student body. As couples entered the Royal Oak Country club on October 18, they felt as though they were stepping into another time. The theme for this year's dance was "Back to the Future", and the Senior class officers did an excellent job of portraying this idea. One half of the dance, was decorated as the twenties while the other portion was a sample of future living. As 12:00 slowly arrived, the evening came to a close, but the memories will live on and be cherished forever.

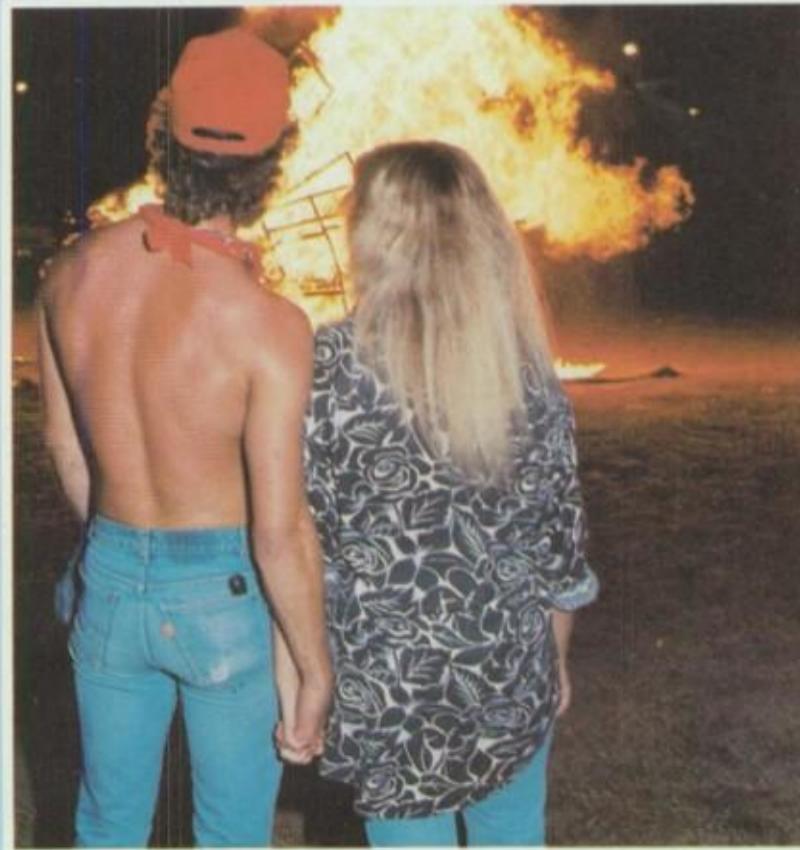

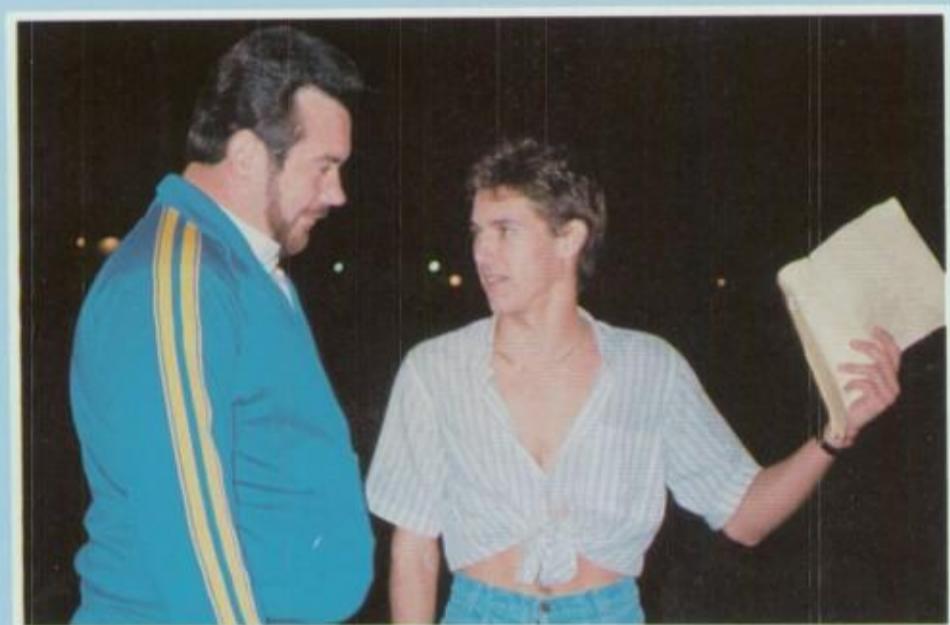

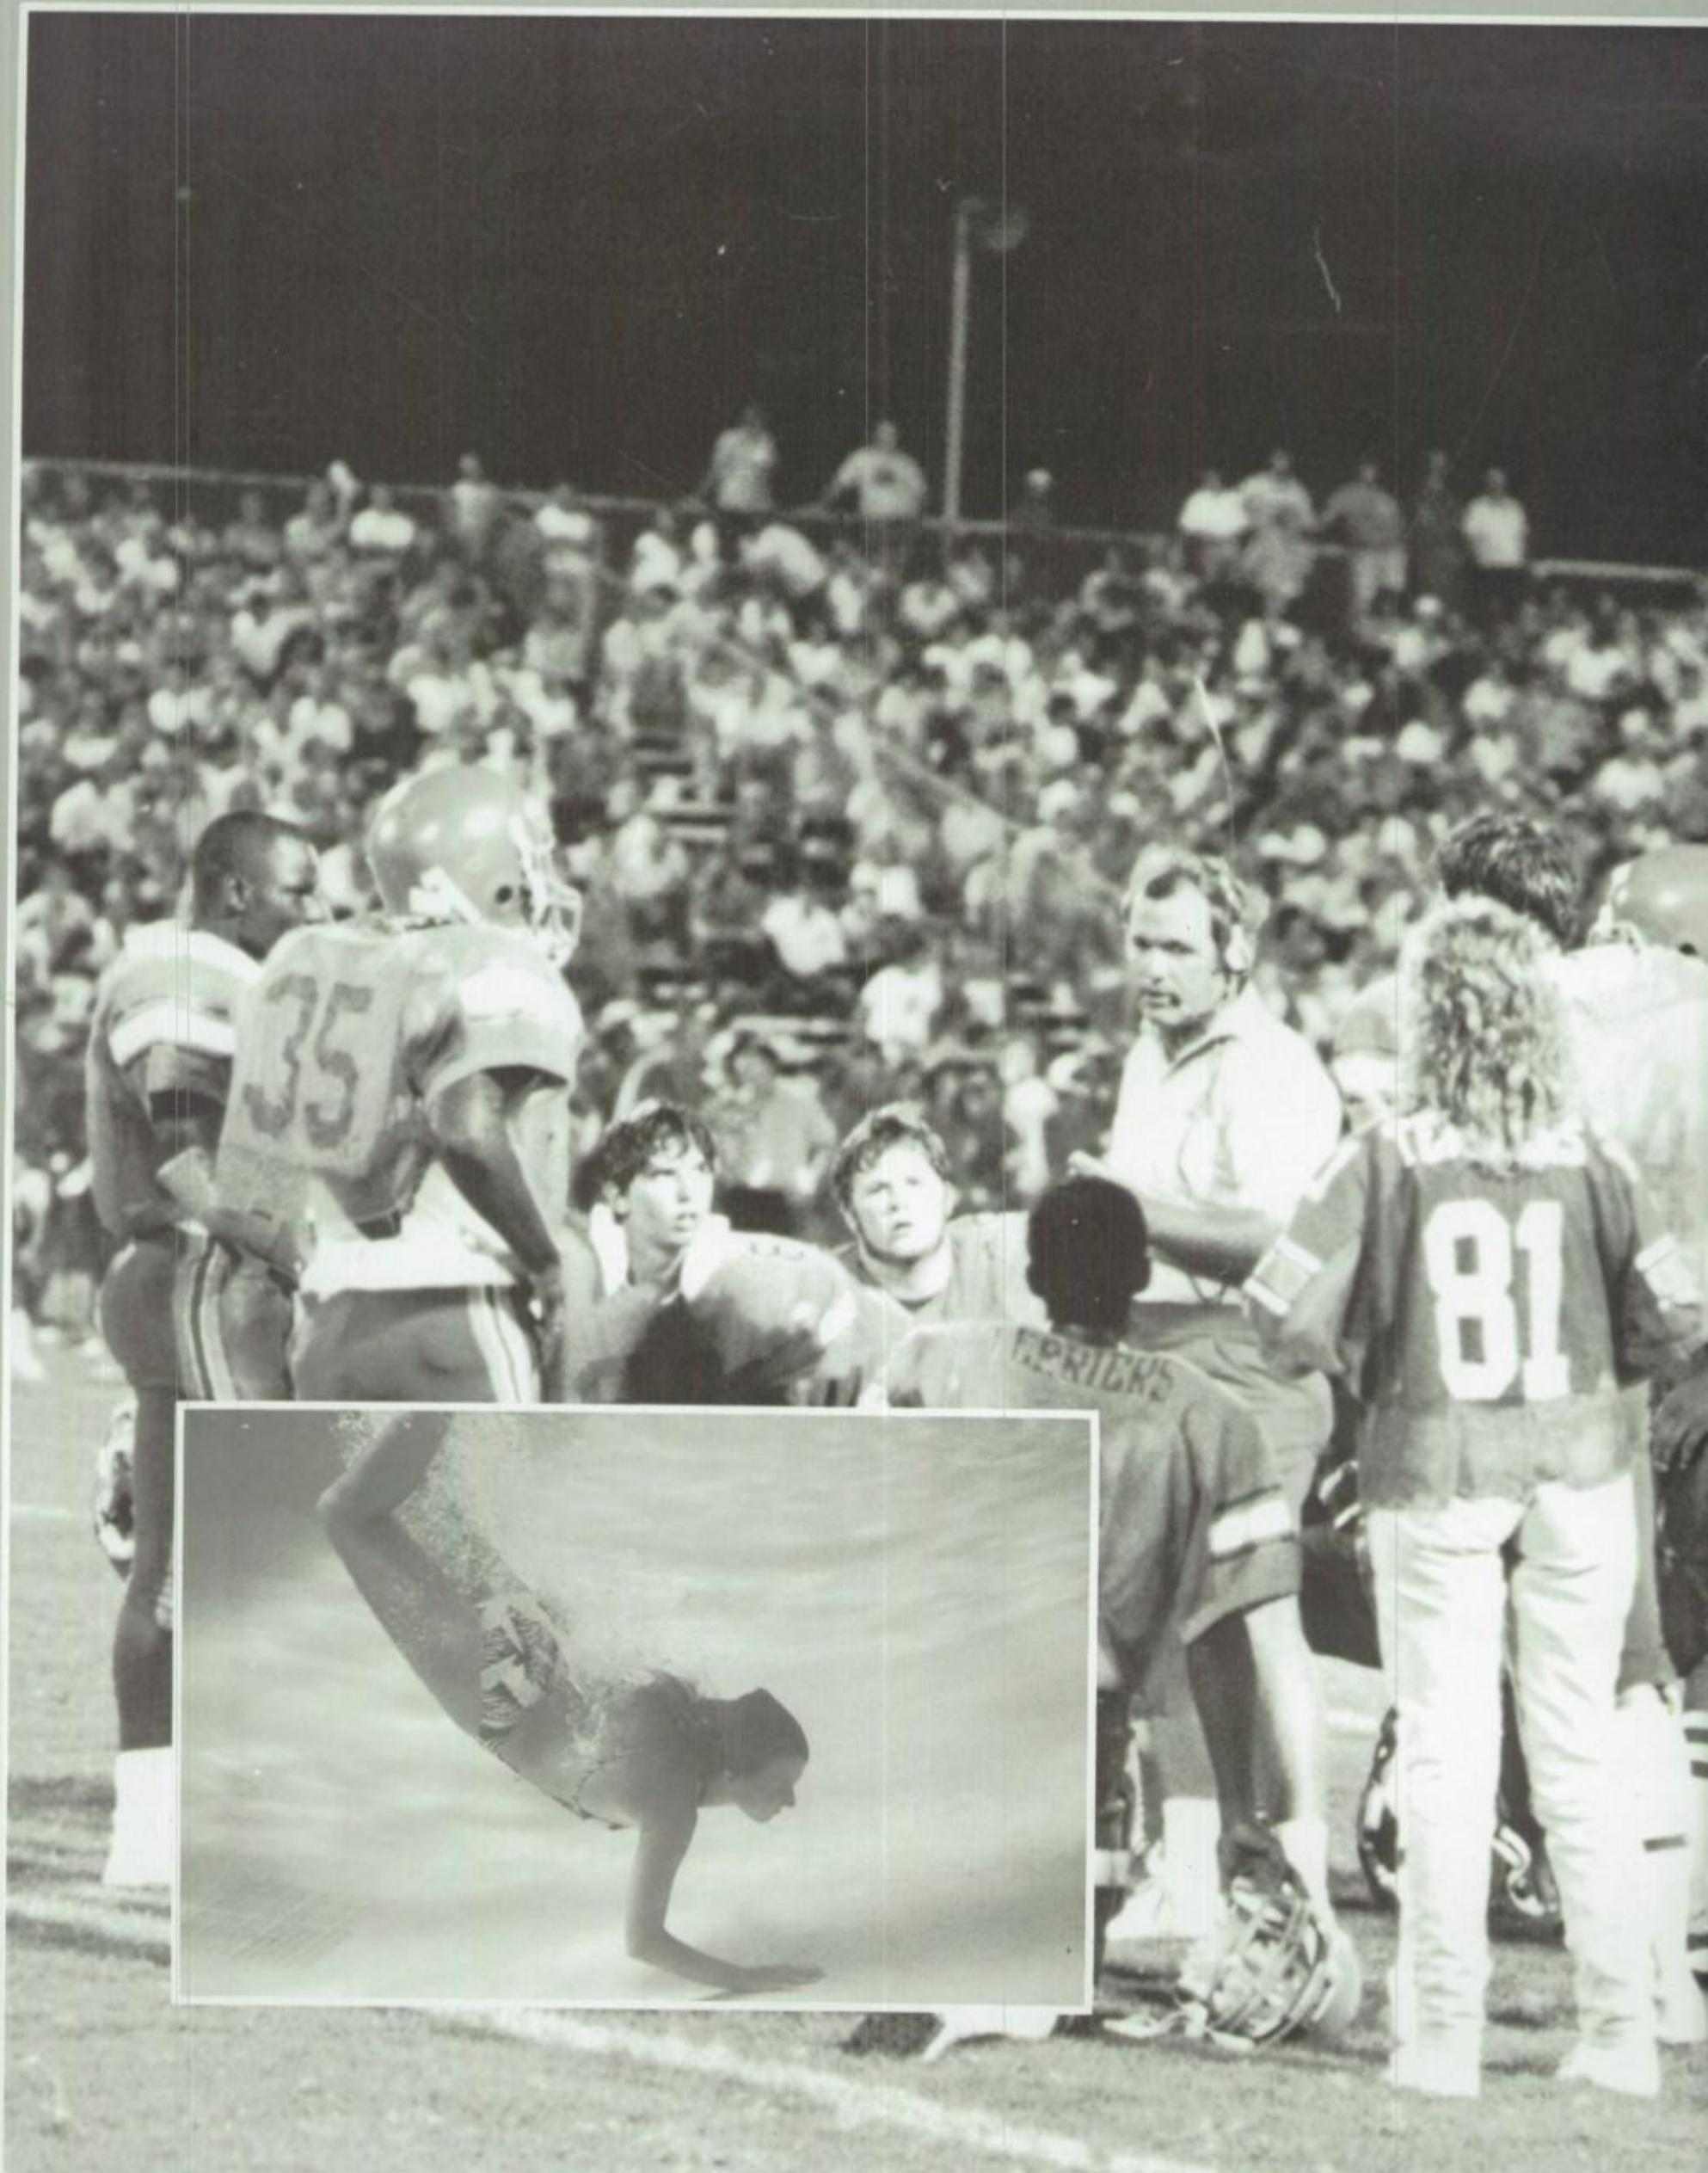

"I think the other couple is falling asleep."

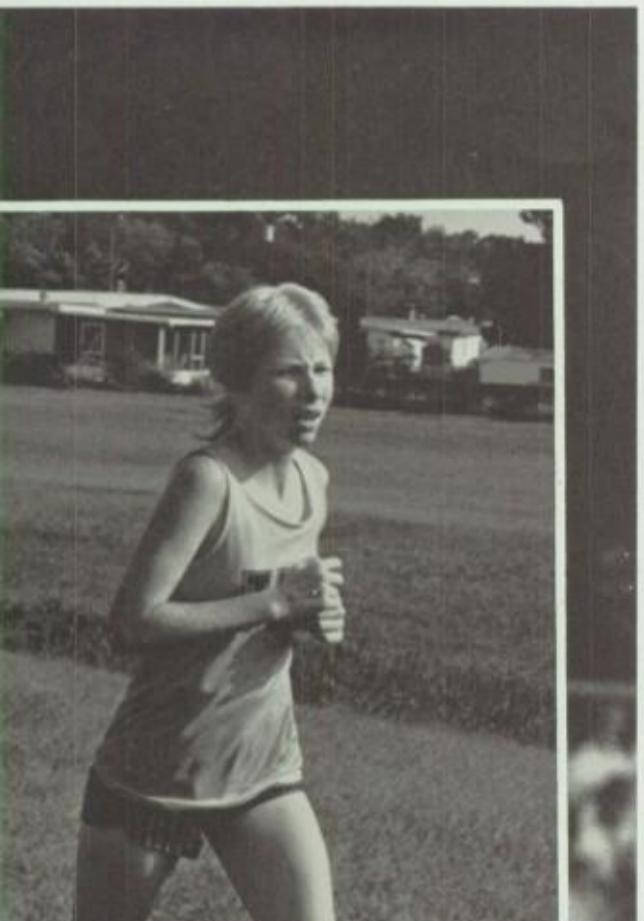

"I'm addicted to love . . ."

The Terrier volleyball team promised another exciting season and exciting is what we got. Out of fifteen matches they lost two to Merritt Island and one to Melbourne. They also won the Jacksonville tournament. When districts arrived, they had an easy win over Satellite then suffered a heart-breaking loss to Astronaut, whom they had previously beaten. This years Seniors were Ann Mariani and Monica Kern.

The Swim team had a fantastic year. The girls team were 3-6. Outstanding swimmers were Senior Michelle Ragusa, Freshmen Natasha Kremer, Senior Leslie Gravina and Sophomore Katie Reczek. The girls lacked depth but the talented few kept the meets filled with competition. The boys team were very strong with 7-2, led by Seniors Keith Hurley, Tim Halloran, and Allen Swan, and Junior John Springer. The boys barely lost to Astronaut and Merritt Island. The diving team was just as productive winning many of their duel meets. At Conference senior Jimmy Overton placed first, Jason Jones placed third, and Don Browning placed tenth. Overall the boys took first at District. The girls were led by Freshmen Katie Clover, who placed 5th in conference. The girls were skilled but lacked the winning edge.

With a 3-4 season record, the Terriers proved that they were determined to try their hardest. With dedicated coaches like Charlie Griffin and Ran Goodwin, the Terriers gained experience and insight. Despite many injuries, they still showed that they had what it took to be a winning team. With a season such as this behind them, there appears to be many hopefuls for next year's varsity.

The Boys' Junior Varsity team had a very large turnout this year. Consisting of mostly freshmen and a few returning runners, the boys worked hard and accomplished many goals. At their first meet, the Astronaut Invitational, the boys finished third overall and first for the 3A teams. They finished first at Bishop Moore, Boone Invitational, and, where the state meet is held, Deland. And finishing the season with their greatest triumph, the boys captured the J.V. Cape Coast Conference title. The boys were tied and won with their sixth runner, Joe Witt. Good job boys.

The Girls' Junior Varsity had no returning girls running this year. They were a very young and inexperienced team, but they managed to overcome that and win the Freshmen-Sophomore meet along with a few of the Varsity girls. Finishing as high as fifth in a big meet, the girls did well. They had two fund raisers this year. They raised a lot of money in a car wash held at Searstown and they had people pledge them in a runathon. Starting at the school and running to Apollo Elementary then back to the school, they ran a total of ten miles. The girls trained hard and had a good season.

The 1986-87 Varsity Basketball team had a season of rebuilding. The girls basketball team was coached by Mr. Doug Bolognese. The girls team this season was a fairly young, but skillful team. The team was victorious including being runner up in the Christmas Tournament. The credit goes to Coach Bolognese for doing such a great job with the team this year. The team consists of only one Senior, Jane Vickers. Jane was one of the captains and also the top shooter for the team. The top rebounder for the team was Sonja Bentley. A very valuable player to the team was Lara Ahmie who was the point guard and playmaker. The team worked hard this year earning money to buy their new uniforms.

The Varsity Soccer team had an outstanding year. Returning 4 year lettermen Angel Ramos and Jay Bean led the Terriers offensive attack. Goalkeeper, Rob Henzman, guarded the Terrier goal and defensively, Jimmy Overton, controlled the midfield with excellent ball control. Returning Juniors Todd Jones, Keith Pecot, Scott Smith and Greg Thomas also looked promising this year. Soccer is slowly becoming popular and getting some of the support needed. Terriers good luck in the future!

The Junior Varsity Soccer team enjoyed it's most successful season ever. Offensively, the young Terriers were led by a group of speedy, highly skilled attackers including Brett Matrazzo, John Faenza, Brian Hurd, and Mike Hudson. Perhaps, the strength of the team was the midfield play of Scott Blumenthal, Zoran Simic, Eric Allen and Barry Austin. That coupled with a tenacious defense led by Forest Stump, Joe Ellis, Russell Othmer and David Brett and exceptional Goal Keeper play by Mike Ferguson and Jason Bettencourt made the Terrier Pups almost unbeatable.

Oh no! It's gonna hit us!

"Raise your hands if you're Sure!!!"

The young Freshmen Basketball team got off to a slow start but with much practice and hard work they gained experience and endurance. Whether they were ahead or behind, the team always gave it all they had. They were very competitive and showed greater improvement as the year progressed. Everyone worked as a team and the results showed. Coach Diesel was very proud of the guys and believes they will do much better next year.

This year for the first time in T.H.S.'s history, a girl's soccer team was established. Through many long practices, anguishing games, and dedicated coaching, this season was a tremendous success. Soccer has been called the fastest growing sport and this year proves it. The lady Terriers were lead by captains Kim Kelly and Julie Morris. Thanks to the coaching of Coach Morris and Assistant Coach Dixon the team produced many shutouts. Let's hope this outstanding tradition continues.

## Greek Girls!!!

Alpha Chi Rho started off the 1986-87 school year with a bash! Shortly after initiation, a party was held at Dawn Dyer's house to welcome all of the new initiates. As a service project for the school and the community, AXP distributed over 250 blue and gold balloons to the crowd at the THS-AHS football game for extra spirit. Also, AXP donated approximately 300 cans to feed the needy at Dog Nap. In the fall, AXP raised money by sponsoring a "Sexy Legs" contest, and helped donate money to the beautification project at THS. Formal initiation was held in conjunction with the Christmas Banquet at Royal Oak Country Club. This year, AXP had a new sponsor, Mrs. Koromilas, and two new Sweethearts, Larry Witt and Brian Gooden, along with the returning Sweetheart, Tim Halloran. AXP was proud to have 6 out of 9 representatives on the Homecoming Court as members. They were April Wright, Dawn Dyer, Barbara Goodwin, Carol Koromilas, Barbara Pavick, and Cheryl Phillips. These and many other activities made this year an excellent one!

## A Successful 25th Anniversary

This year, Anchor Club celebrated their twenty-fifth anniversary at Titusville High. Scrapbooks and awards from the past twenty-five years were displayed. This, along with the many activities they participated in, made it an exciting year. In October, the members had a barbecue at Mrs. Epperon's home. As community service, they helped clean up the cemetery for Veterans' Day services, participated in the March of Dimes Walk-a-Thon, and sponsored a Pilot appreciation dinner. Missy Jones was chosen as a delegate for Freedom's Foundation, spending four days in Pennsylvania. Once again, the members sold spirit ribbons for every game, and Tuffy Terrier helped lead the crowd in cheering on the team. Anchor Club brought in cans for the Dog Nap, and at Christmas time, made and delivered Christmas cards to the nursing home during the holiday season. All in all, the club was filled with new life this year.

## Art Club: A Colorful Year

Art Club burst into a brilliant bloom this fall by sponsoring the October Spirit Poster Contest. Several posters competed each week of the month long challenge, each one sporting an artistic, Terrierific, illustrated logo. Faculty members helped out by judging the posters, and winners received a free pizza, compliments of Art Club. The Picassos-to-be also brushed up on their Art History in December, visiting the Rameses II of Egypt Exhibit in Jacksonville. In the Spring, the artists attended the Ringling Brothers Medieval Art Festival in Sarasota, adding a final splash of color to an outstandingly vivid year.

## Koo-Khee-Koo

This year's Child Care Club had a very busy, as well as productive year. Among the various fund raisers sponsored by this active club was their very successful candy sale. The money raised by this sale went to taking the children to Sea World last April. Other of their productive fundraisers were the Child Care carwash, candy grams, and flower sale. The money made from these activities was put toward buying supplies for the Child Care room, and purchasing Christmas presents for the needy children of Brevard County.

## Ça Y Est, Bébé!

French club definitely had an active year. Several fund raising activities were held. Among them were a bake sale and a candy sale. Several trips were also taken. First, the club went to Orlando to see a rendition of *Le Bourgeois Gentilhomme*, a French play. Then, the club gathered their towels and took off for a day in the sun at Wet'n'Wild. They rounded out their year by staying overnight at Disney World. French club's year wasn't all fun and games, though. Near Christmas, they sponsored a toy drive for the Salvation Army, and supported T.H.S. by making spirit posters for games.

## Bitte's Battalion

German Club is still growing! This year, with Ms. Debi Blanner as sponsor and Ms. Judy Daley as co-sponsor, German Club is still the largest club on campus. With 160 paid members it is easy to see how German donated 1,260 cans by the end of seventh period for Dognap. In October, German Club held a Oktoberfest and in winter held a Christmas party. German Club sold Christmas Ornaments and had three candy sells to raise money for the club's annual Helen trip. Members of German also participated in the "Say No To Drugs" parade and also brought toys in for "Toys For Tots" in the Christmas season. They also had three German exchange students to entertain this year. And as always, German Club had signs up all year over T.H.S. to show their club and school spirit. The year came to an end when German students toured Germany with Ms. Blanner over the summer. German Club plans for another active year for the 1987-88 school year.

Interact has had another great year! After practicing for long hours, they took away the first place plaque for their skit, "All in the family." Interact also participated in the Can Food drive, or Dog Nap. They also had a joint bake sale with the Rotary Organization in order to raise money for the club. Throughout the year, Interact members often have luncheons with their big brother club, Rotary. This is so the members of the two organizations get to know each other. Overall, Interact had a really exciting year. Good Luck next year guys!

## **"The Key To Success"**

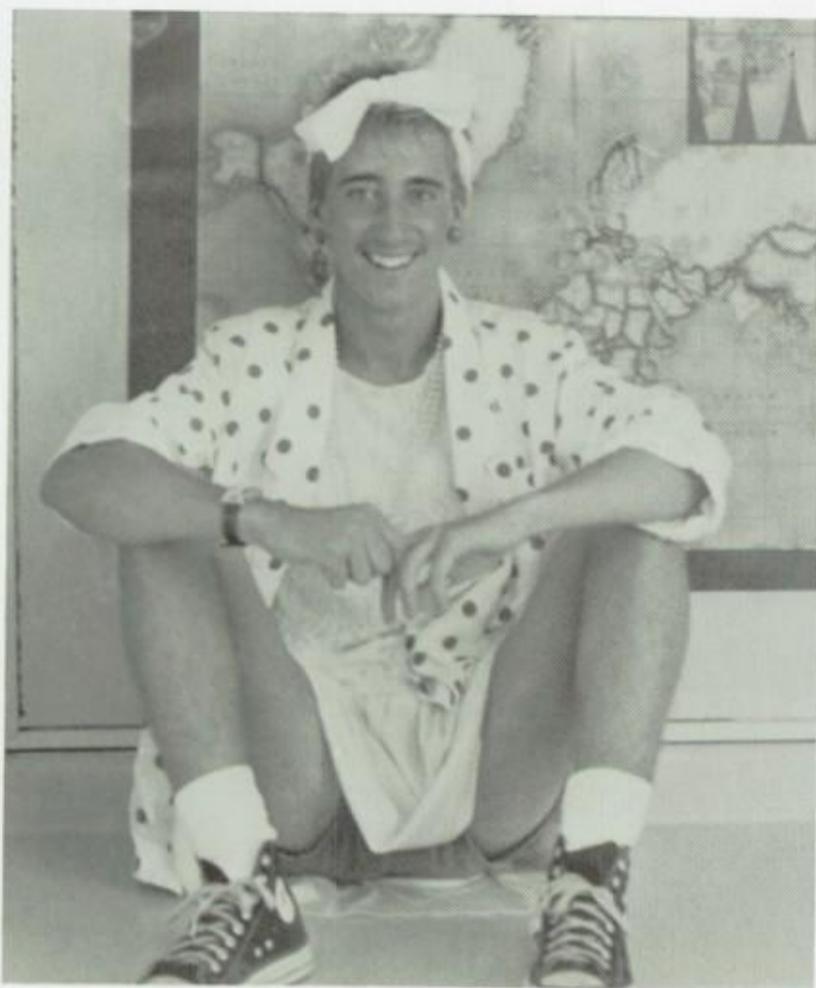

Key Club pulls its weight again this year!! With Ms. Tana Monk as their new sponsor, Key started the year with the lemonade sale and kept on going. Key Club was one of the five skits in the 1986-87 Growl titled "Gilligan and the Barracuda." Also, they built the bonfire which was a big success. They walked in the "Just Say No To Drugs" parade. In addition, they donated over one hundred cans of food to S.G.A.'s Annual Dognap, did many service projects in the school and community, and helped in the beautification of Titusville High School. They also attended luncheons with Key Club International at Royal Oak. Key Club helped out with the Christmas Parade. The club's enthusiasm was unbelievable throughout the year. Working over 100 hours of their free time made this year one of the BEST!!

## A Successful Year

Keyes Club has had a great year. They started off the year by sponsoring a dance at Sandrift to raise money for their many activities. In October, they hosted their ever-popular Halloween Costume Contest at Miracle City Mall where kids up to ten years old attended. Keyes also performed their skit "The Jetsons" at the Terrier Growl and donated cans to charity for the annual "Dog Nap" on November 7th. It was definitely a fun filled and busy year in which everyone participated and became good friends.

# OKLAWEWA STAFF

## Going Crazy!

The 1986-87 Oklawewa staff consists of a group of hardworking, dedicated students who all share a very enthusiastic pride for their school. Not only was this the first year that the staff involved thirty students, but it was also the 60th anniversary edition of the Oklawewa. Much hard work went into the production of the yearbook, which consisted of memories we all created together. All of the rushed deadlines, headaches, and complete confusion were simply factors leading to the overwhelming pride we experienced when the books were completed. Once the yearbook was completed, the rest of the year was dedicated to ad selling and work on next year's yearbook. At the distribution of yearbooks in May, many students were caught looking at their pictures, while staff members found that their layout designs were more interesting. Overall, this year has been very prosperous, and the 1986-87 Oklawewa is an accomplishment that the staff should be proud of. Congratulations to the Seniors — Russel Bolton, Laurel Christman, Sheila Cox, Michelle Fink, Stephanie Fitzgerald, Erica Forare, Jeanine King, Carol Koromilas, Jody Love, Ann Mariani, Kim Miller, Cheryl Phillips, Doug Polk, Jennifer Pope, Tonja Porter, Diana Riddle, Tracey Roberts, and Larry Witt.

## S.A.D.D. Saves Lives

Students Against Drunk Driving was founded at Wayland High School, Massachusetts. The idea has spread to Titusville High School and the spark has lit a fire! SADD participated in the RAID parade, and long range plans include an ALL-County SADD Day, several fundraisers, and having students sign a Contract-For-Life. A Contract-For-Life is an agreement between parent and child or between friends not to let each other drive drunk. Project Graduation will also be a big project for SADD to partake in. Good Luck in all of your endeavors!

# Science Research

$$E = MC_2$$

Science Research is a class that Mr. Andrews teaches seventh period. The students have yearly projects which Mr. Andrews helps them with. The President of Science Research was Sara May. She worked hard to make sure everyone's project was going well. One Vice-President was Elizabeth May, who was in charge of Physical Science projects. The other was Bobby Tilley, who was in charge of Biology projects. The secretary was Melissa Williamson and the Historian was Kelli Boutwell. The students were required to enter two competitions this past year. The Regional Science and Engineering Fair held at Miracle City Mall in late February and the other being of their choice. The work Science Research does is greatly appreciated. We know it will continue in the upcoming years.

## Junior Miss Pageant

November 29, 1986 proved to be a very exciting evening for these eight Seniors. For the sixth year in a row, a Titusville High girl was crowned Junior Miss. This year's lucky lady was Patty Williamson. Patty competed among twenty-four of Titusville's finest young women. The Runner-ups from Astronaut were Marla McNear (First Runner-Up), Elizabeth Hurt (Second Runner-Up) and Karyn Frusterio (Fourth Runner-Up). Third Runner-Up was Stephanie Fitzgerald who was also from Titusville High School.

## Titusville Mock Trial Team Places First

On February 1, 1987, Titusville and Eau Gallie high schools, the two finalists in the Brevard County Mock Trial Program, squared off in a mock trial at 10 a.m. in the courtroom in the Brevard County Courthouse in Titusville.

This year's program, headed by David Silverman of the State Attorney's Office with help from County Commissioner Charlie Roberts, centered on a case involving a high school soccer player who lost her eye in a sports accident. The program is in conjunction with the Brevard County Bar Association and local judiciary. The Sheriff's Office and Clerk's office also contributed to the event. Frank Vega, publisher of **FLORIDA TODAY** and president of Gannett South, and Allen Rose of the **ORLANDO SENTINEL** were among the guest jurors. Brevard-Seminole State Attorney Norm Wolfinger and Public Defender J.R. Russo judged the event.

The mock trial "offers a tremendous opportunity for the youth of our community to engage as many as our young people to take

advantage of this program and join us on the 1st to view the trial," Roberts said.

The Titusville team was coached by instructor Karen Ball, along with attorney coaches Angela Abbott and Dan McDermott. The team was comprised of Seniors David Cook, Shelia Cox, Stephanie Fitzgerald, Tim Halloran, Jackie Holmes, Missy Jones, Paul Savage, Sara Queen, Junior Melissa Personette.

## Project Graduation

On June 5, 1987, the young men and ladies of Titusville High School's Senior Class joined one another in our graduation ceremonies. It was a very exciting time for these young people as they looked ahead to the future, and back to their years at Titusville High School.

It was an exciting time for parents also. They watched their children grow over the years both physically and emotionally. Surely, there were times when the parents wondered if they would survive the four years of high school, but the big day finally arrived.

For us here at Titusville High, it was also an exciting time. Much preparation went in to make this graduation one of the best ever. However, there was always apprehension during this period that something was going to mar this happy occasion. Many of the students were planning parties, cookouts, trips, and other activities. As a part of these preparations, many of the students were planning to include alcoholic beverages. Another key element in these preparations was the use of an automobile. It was the combination that caused us our greatest concern. We do not condone the use of alcohol by students, but we were realistic enough to know that some do drink. Our question was, how can we keep these students off the highway? Basically, this is a task for the parents and the students together. Parents should work with their children to formulate plans provide a chance to celebrate without drinking and/or driving.

Here at THS, we tried to educate the students to the dangers of drinking and driving. The Parent Advisory Committee at THS in conjunction with the Senior Class and the Student Government Association sponsored an alternative graduation party for the THS Senior Class of 1987. This party was held at Jackson Middle School after the graduation exercises. The starting time was 12 midnight and lasted until 6:00 a.m. Some of the night's activities were music and dancing, video games, pool, table tennis, volleyball, swimming, and food — food — food. Multitudes of door prizes were given away that night.

## Cheryl Phillips Chosen By ICF

Cheryl Phillips, Captain of the THS Varsity Cheerleading squad, was selected by the International Cheerleading Foundation to be a staff member and instruct other youngsters at summer sessions. She was only one of three chosen from a field of about 400 girls at the ICF camp at Florida State University.

Cheryl has already instructed with ICF at Jacksonville University in Alabama where she was assigned to help three squads.

Cheryl has been a THS cheerleader for the past four years. In the fall, she plans to attend UCF, where she will major in child psychology and, of course, try out for cheerleading. Titusville will certainly miss this talented and spirited young lady when she graduates this year.

## Say No To Drugs

About 1,500 anti-drug activists took to the streets in Titusville on November 15, 1987.

The "Just Say NO" march along U.S. 1 was organized by the Titusville Rotary Club, which distributed 1,000 free T-shirts bearing the "Just Say No" logo to students and other marchers.

The participants strode the 1.2 miles from Titusville High School to Searstown Mall to raise community awareness about drugs in schools, said Donn Searle, a Titusville Rotarian and member of the Rotarians Against Illegal Drugs Committee. While some students came to show spirit, others were there to call attention to the seriousness of the drug problem.

"This has an effect on how people think about drugs," said Larry Witt, 17, vice president of Titusville High's Student Government. "Just look at all the people here. It makes them more aware of the problem and makes it easier to say no."

And some came for free pizza and soft drinks — after being prodded by principles.

Refreshments were provided by the Rotarians and the Titusville Police Explorers.

## Model Senate

The 1987 Model Student Senate promised to be the best ever due to the strong leadership of the Seniors and the high potential in the Juniors. The returning members held four of the six elected positions available in the Senate: Steffie Fitzgerald as President (George Bush), Patty Williamson as Clerk (Jo-Ann Coe), Sheila Cox as Minority Whip (Sen. Alan Simpson), and Sara Queen as Majority Whip (Sen. Alan Cranston). In addition, Senior Ann Mariani portrayed the Budget Committee Chairman, Sen. Lawton Chiles. Jeannie Magura, Chris Messegee, Matt Whalen, Melissa Personette, Marc Hurlbert, and Perry Heard participated as first-year senators and possible officers for the 1988 session. These students travelled to Washington D.C. March 8-12 with sponsor Randy Wilber to observe the procedures in the actual United States Senate. Finally, the Terrier group met with 89 other students throughout Brevard County on April 23-25 to enact a Senate of their own, including proposing bills, discussing legislation, and passing resolutions. Congratulations to these hard-working law-makers!

I'm so sad my Senior year is over!

Future Senior Class Officers

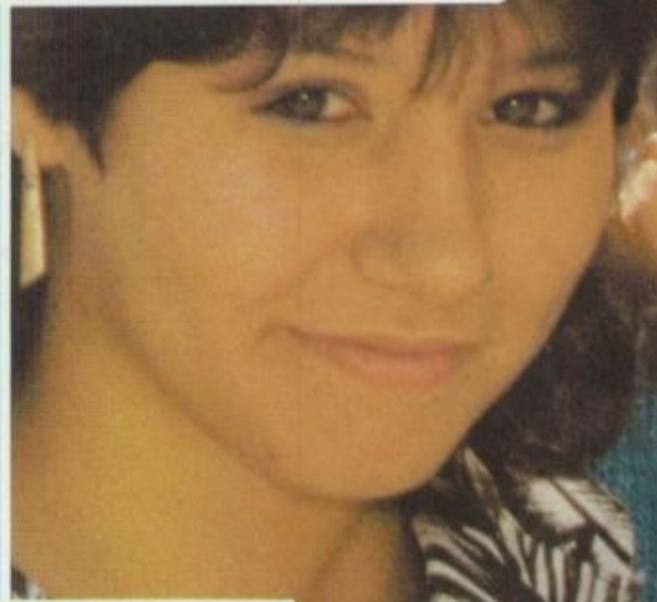

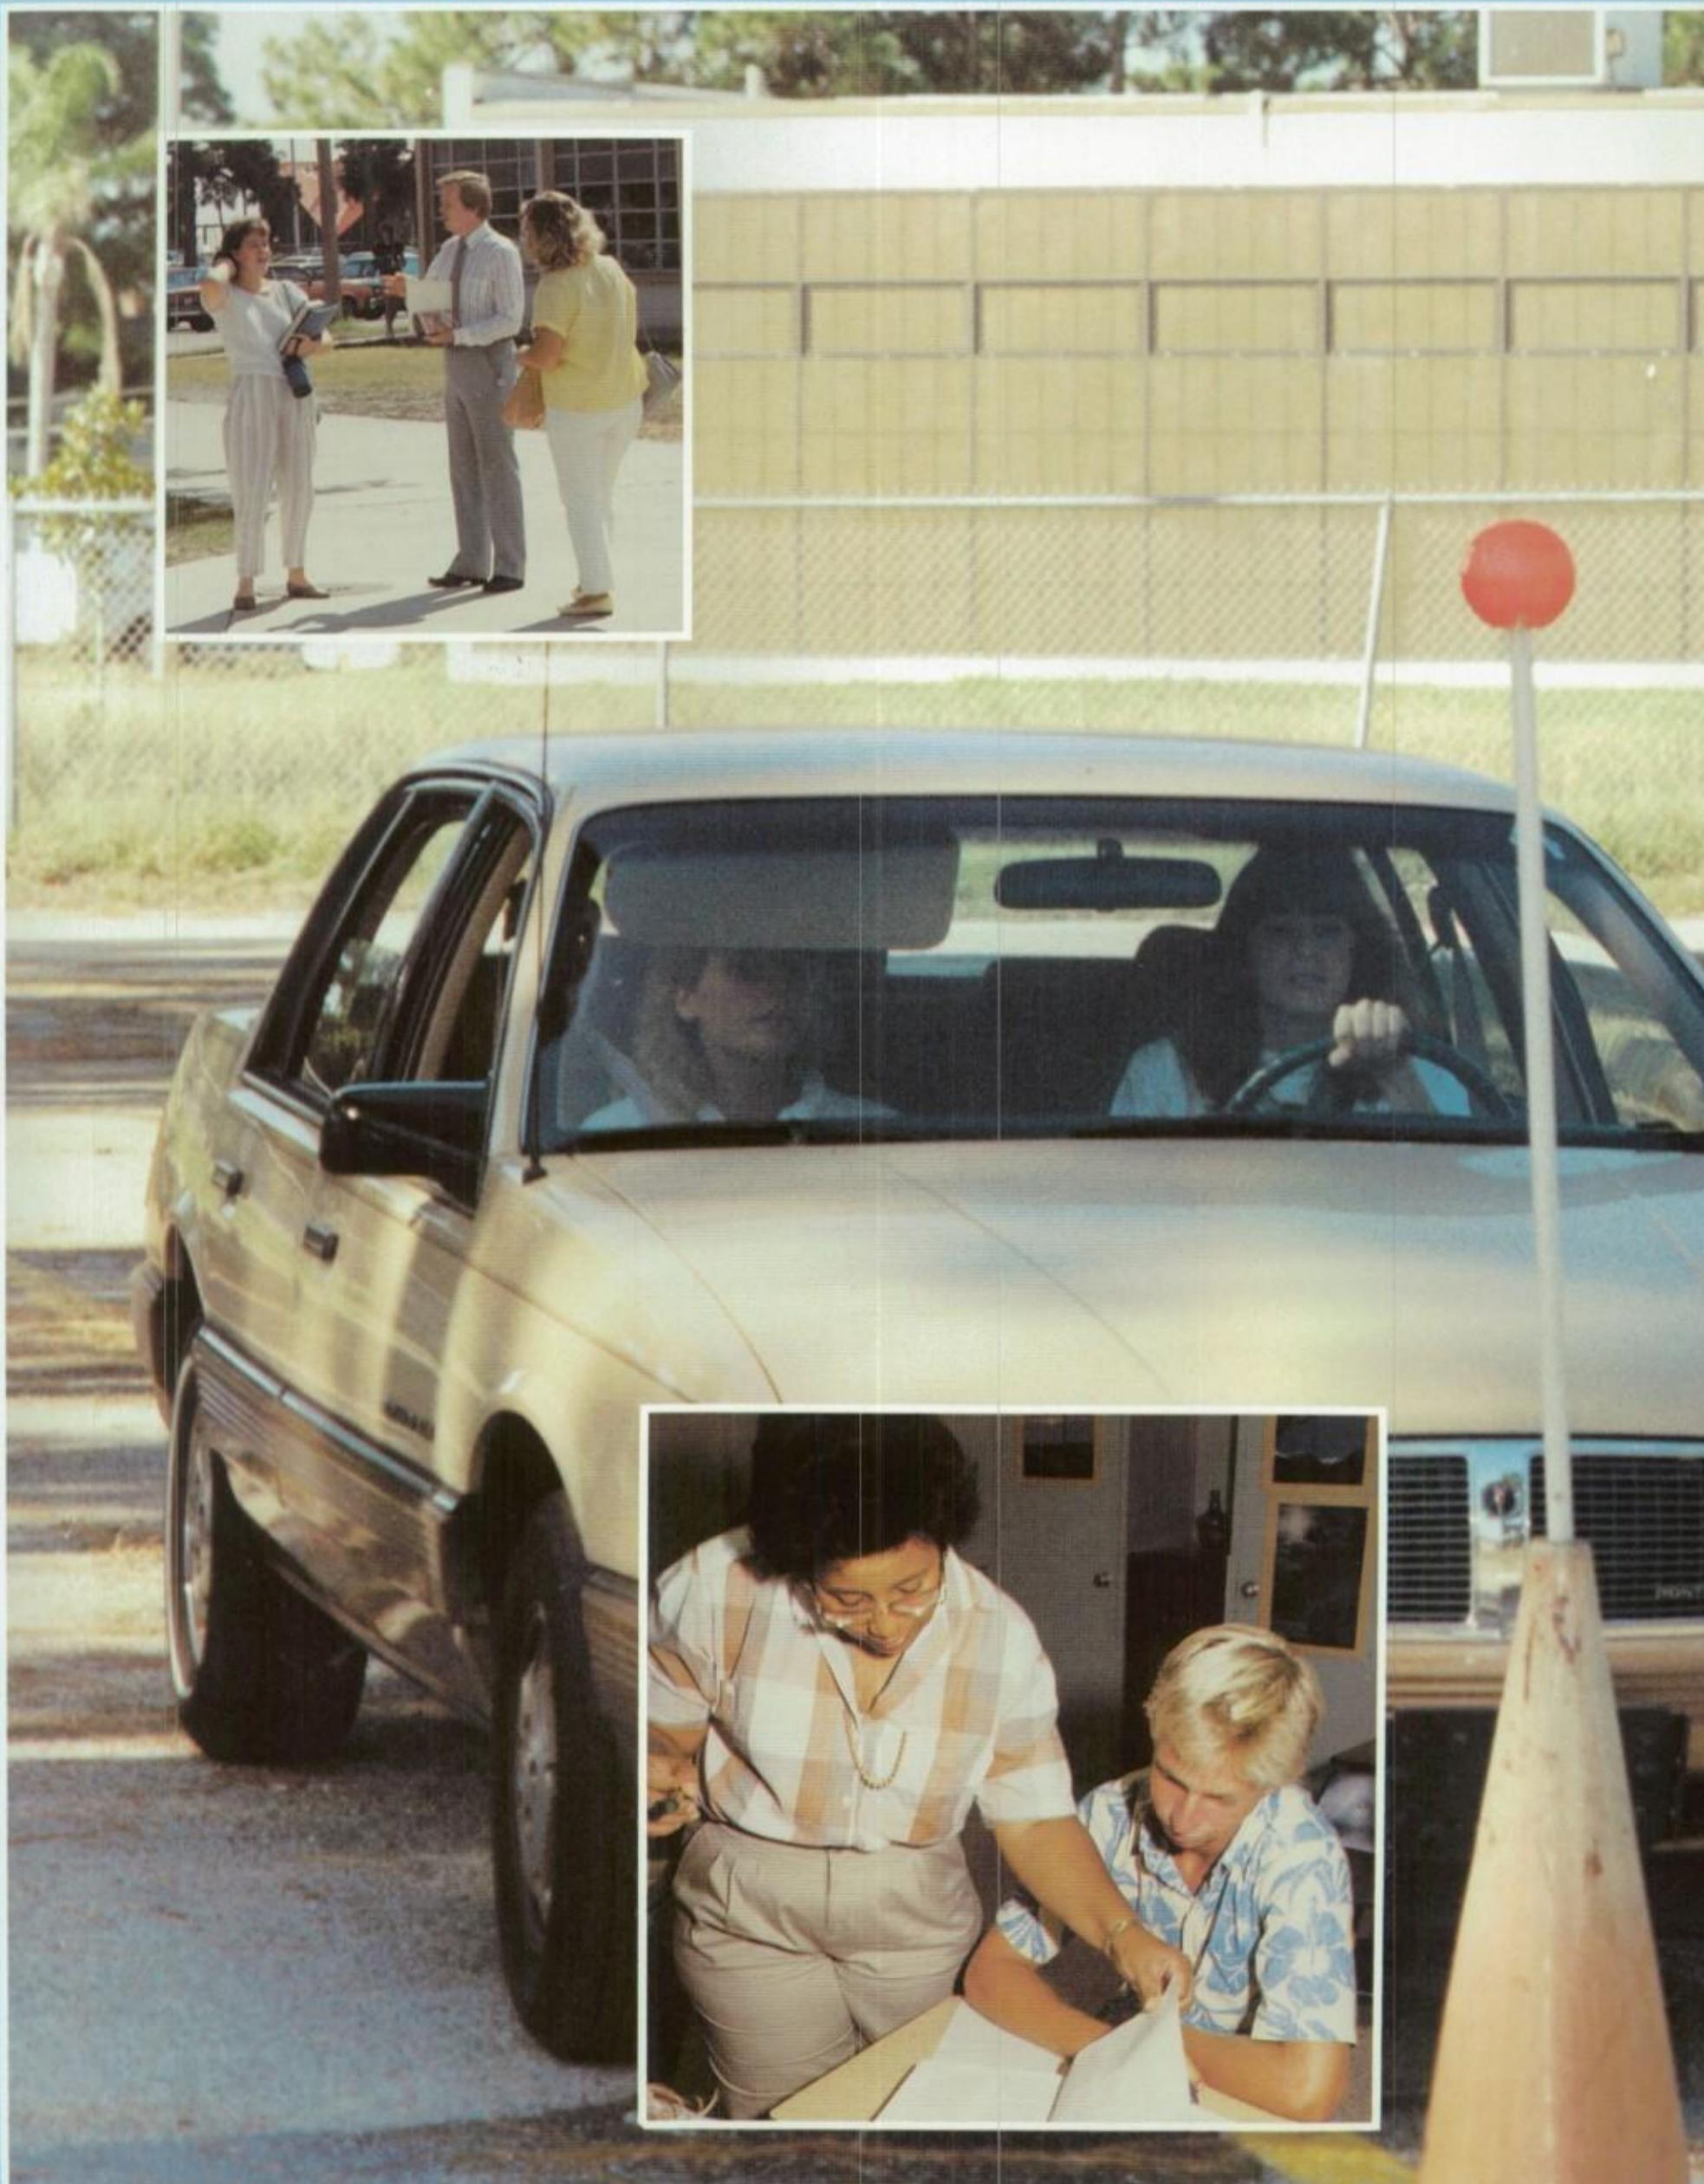

The people of Titusville and the students of Titusville High School share one common aspect. That one thing is a major reason for the existence of the community of Titusville. This common feature is the Space Program at Cape Kennedy. As we have looked out over the Indian River, we have watched the space program mature and advance. We have always been one step ahead in technology due to our relationship with the space center. This advantage towards the future has made us continually strive to reach our goals and to be the best. Titusville High School also has this attitude toward academics and future goals. In a way, we will always be one step ahead of other schools because of our determination and pride.

No matter where we have come from or where we are headed in the future, we will always have our friends to rely on. When we first started school at Titusville High School, we brought with us "old friendships" from our previous schooling. These friends helped relieve our fears of attending a new and different school and stood by us in all of our times of need. We will always cherish these friendships because they were there in the beginning and will be there in the end. We have also developed "new friendships" while attending T.H.S.. The past year, we have made friends that will be close to us way into the future. These friendships play an important part in our high school years and will be remembered even after we go our separate ways and begin new lives.

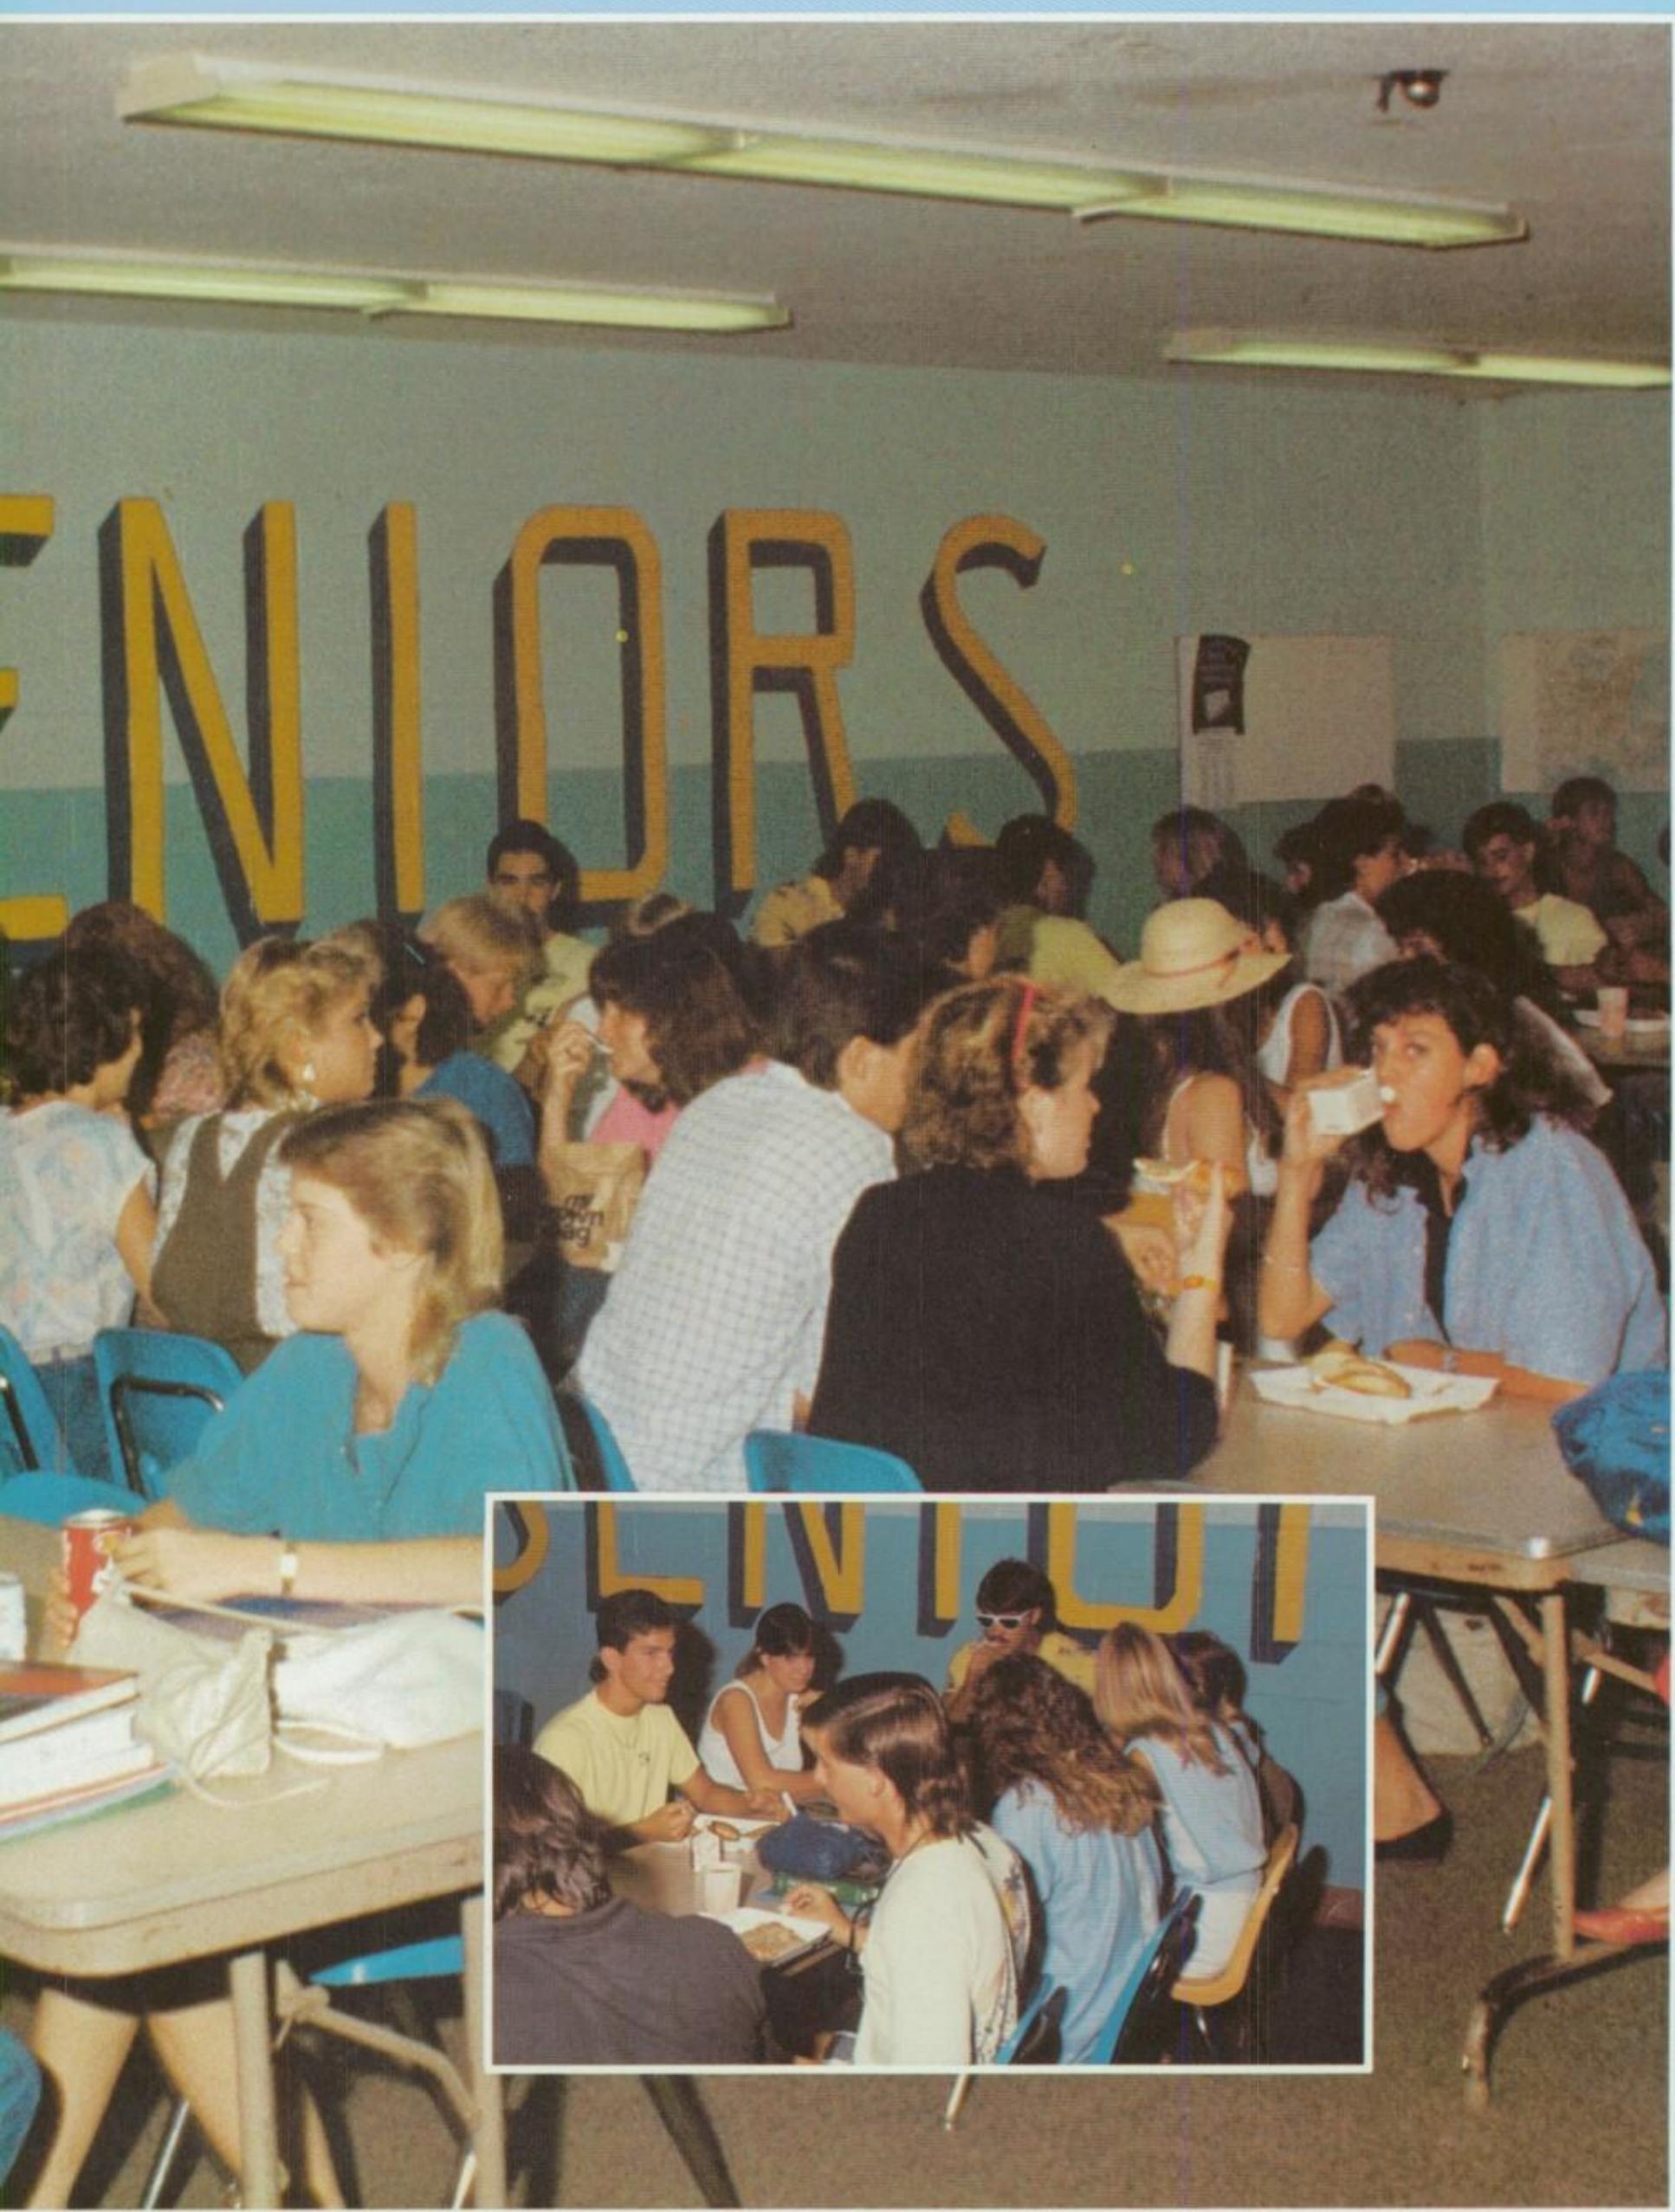

The teacher/student relationship of Titusville High School is very unique. The constant interaction between the two created a comfortable atmosphere of learning. Not only were the teachers just teachers, they became our friends. The feeling that we could depend on them was very dominant and there was no barrier set up between us. There are so many different individuals attending T.H.S. that the teachers also learned something new from us everyday. Many of the teachers of Titusville High School have been teaching here for many years and have seen this school develop into what it is today. They will be remembered by us in the future as the ones who gave us the knowledge that we will use in our future endeavors.

*This year is not only the 60th Anniversary of Titusville High School, but also the year that the "CLASS OF 1987" will graduate and make their mark in the world. This year has been a very exciting year for us due to all of the special activities we were involved in. Each day that goes by is one less day of high school and one more day into the future. Many of us can still remember our first day of high school and how fast time has flown by. The knowledge we have gained the past four years is something that we will always have no matter where we go and that is the one thing that keeps us together. We will treasure this yearbook the most because it is our last and in a way it belongs to us. As we say, "Goodbye" on Graduation day, let us always remember the good times we have shared and the friends we have made.*

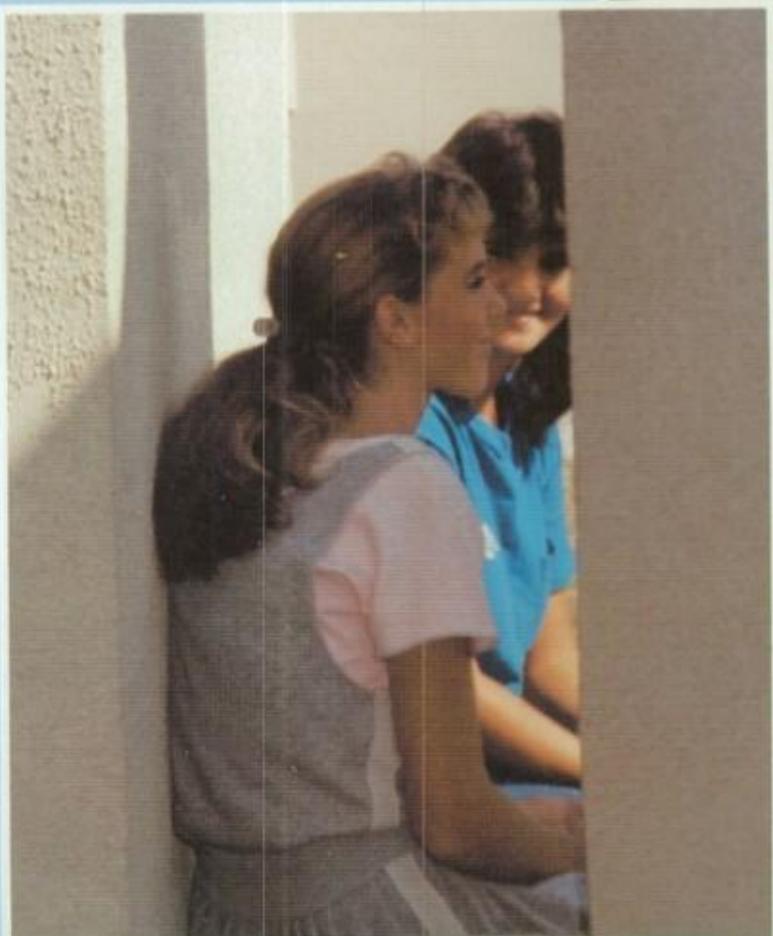

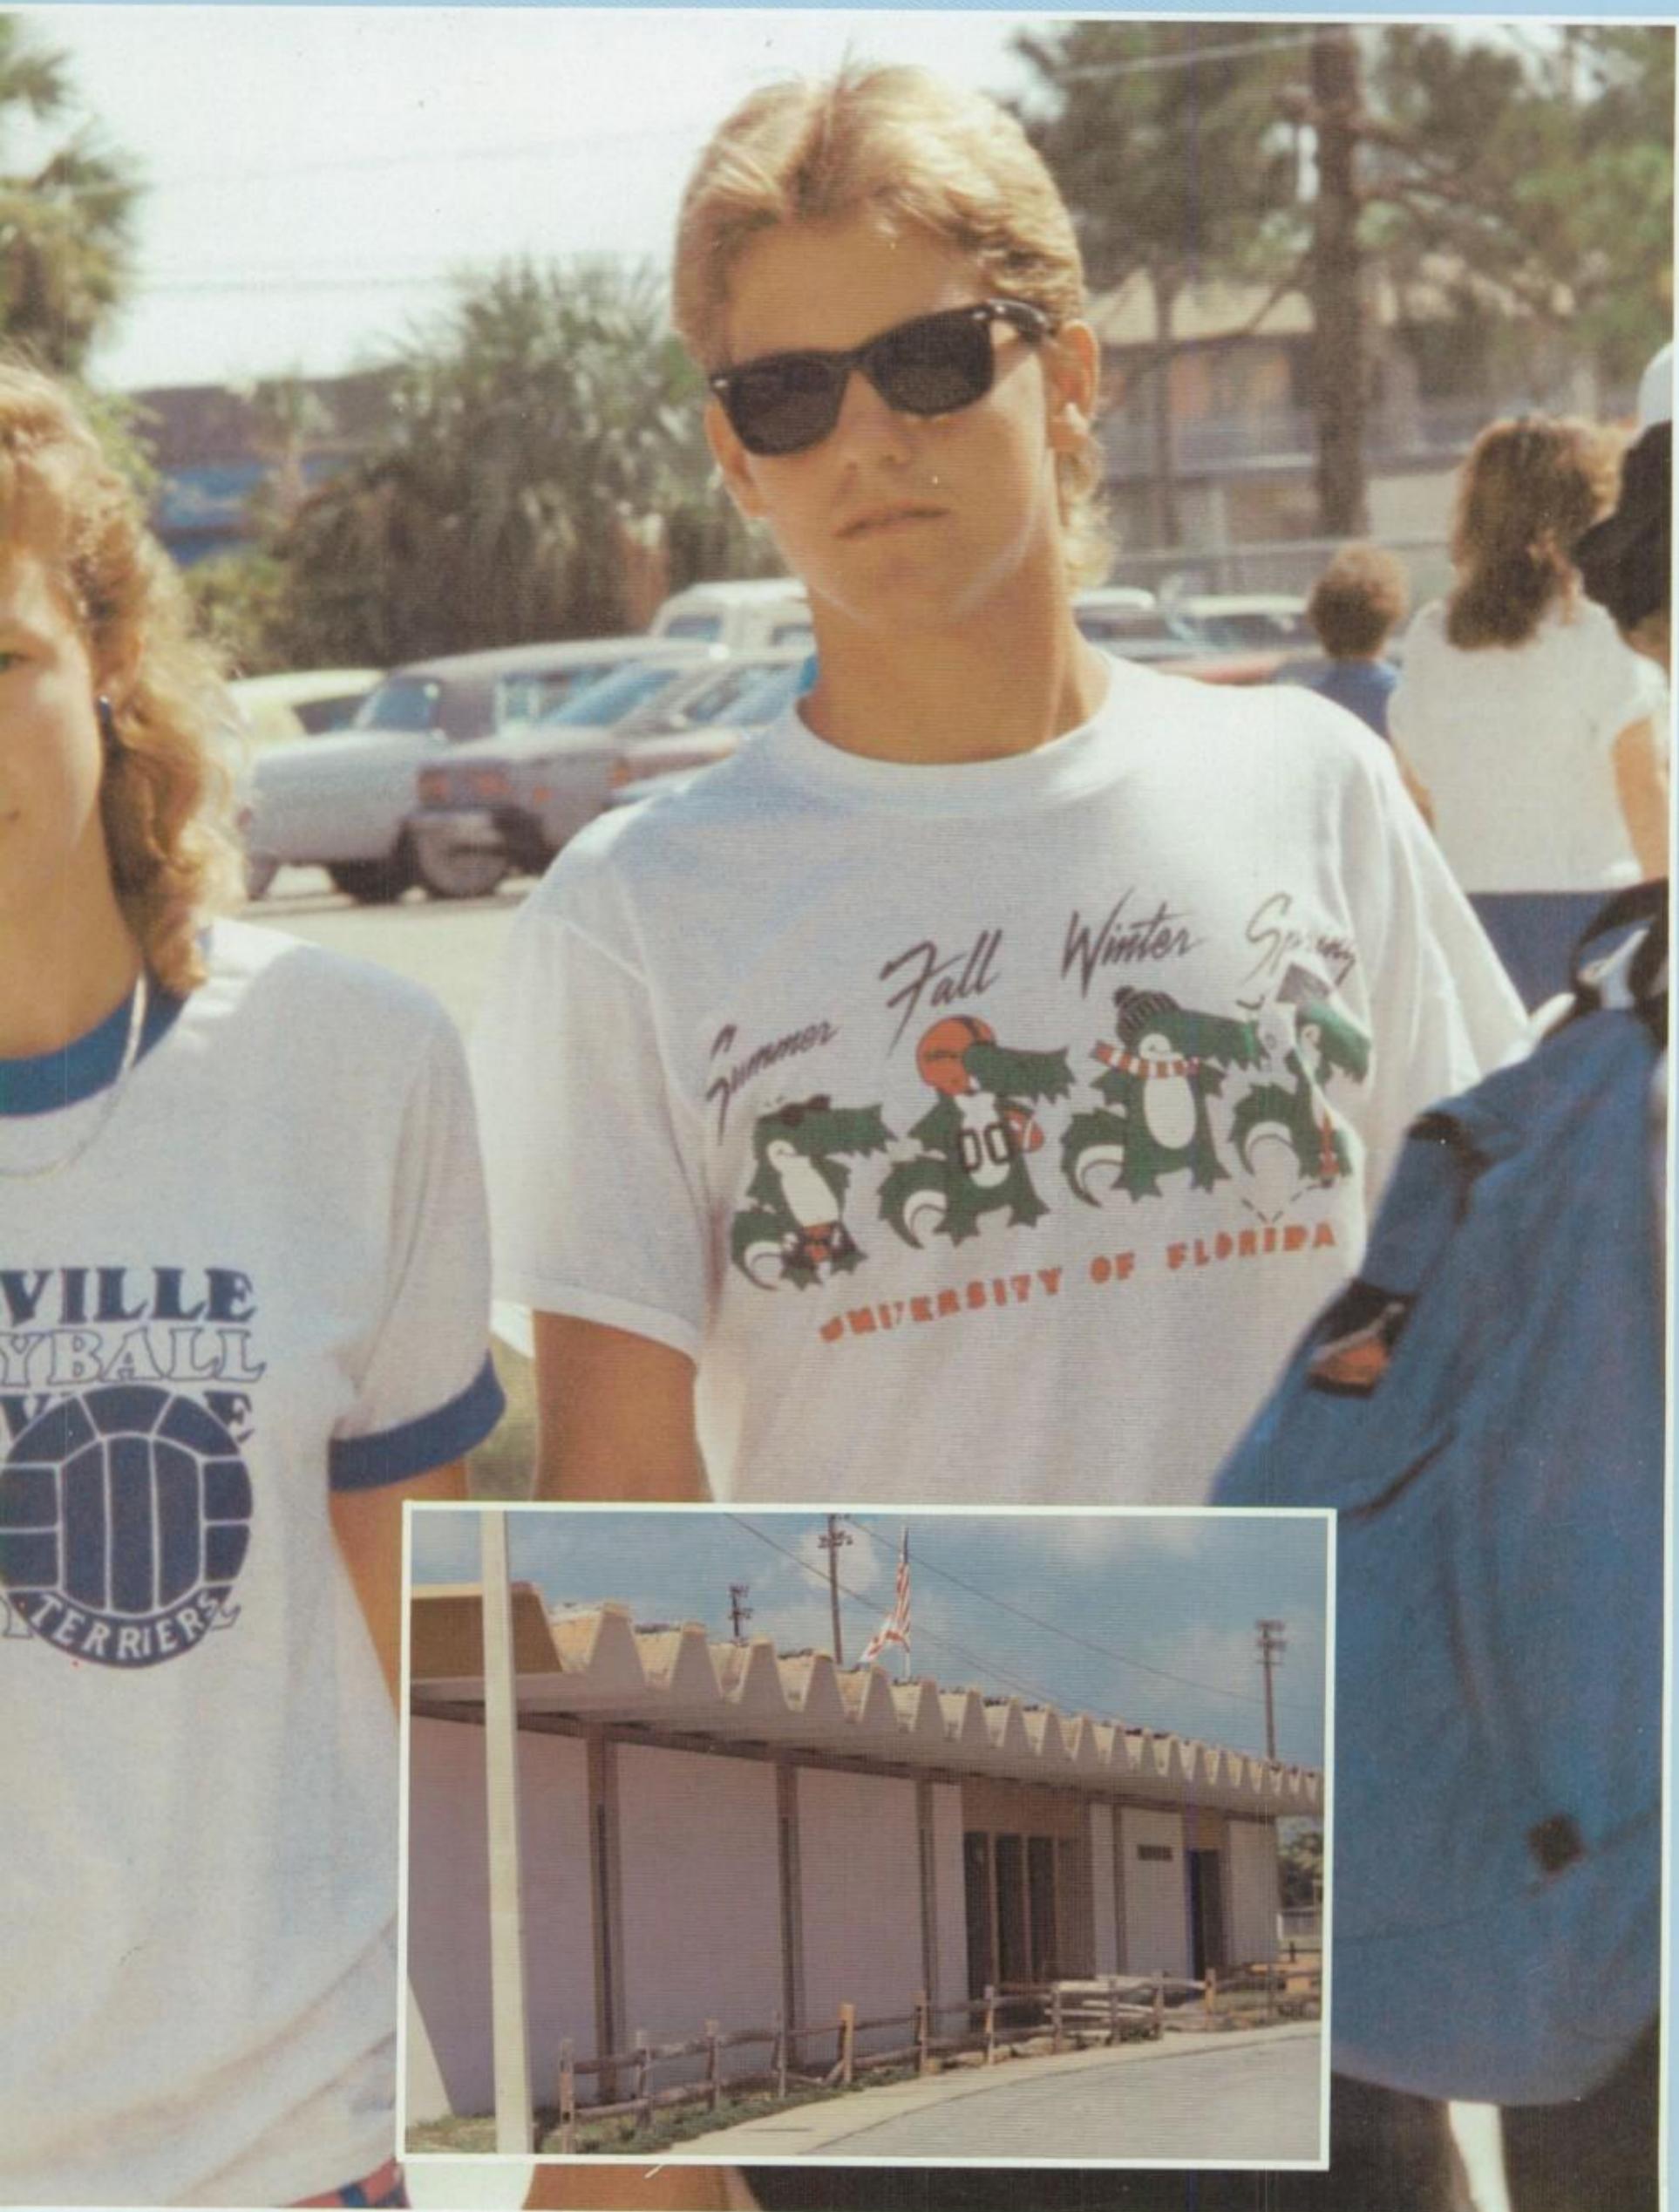

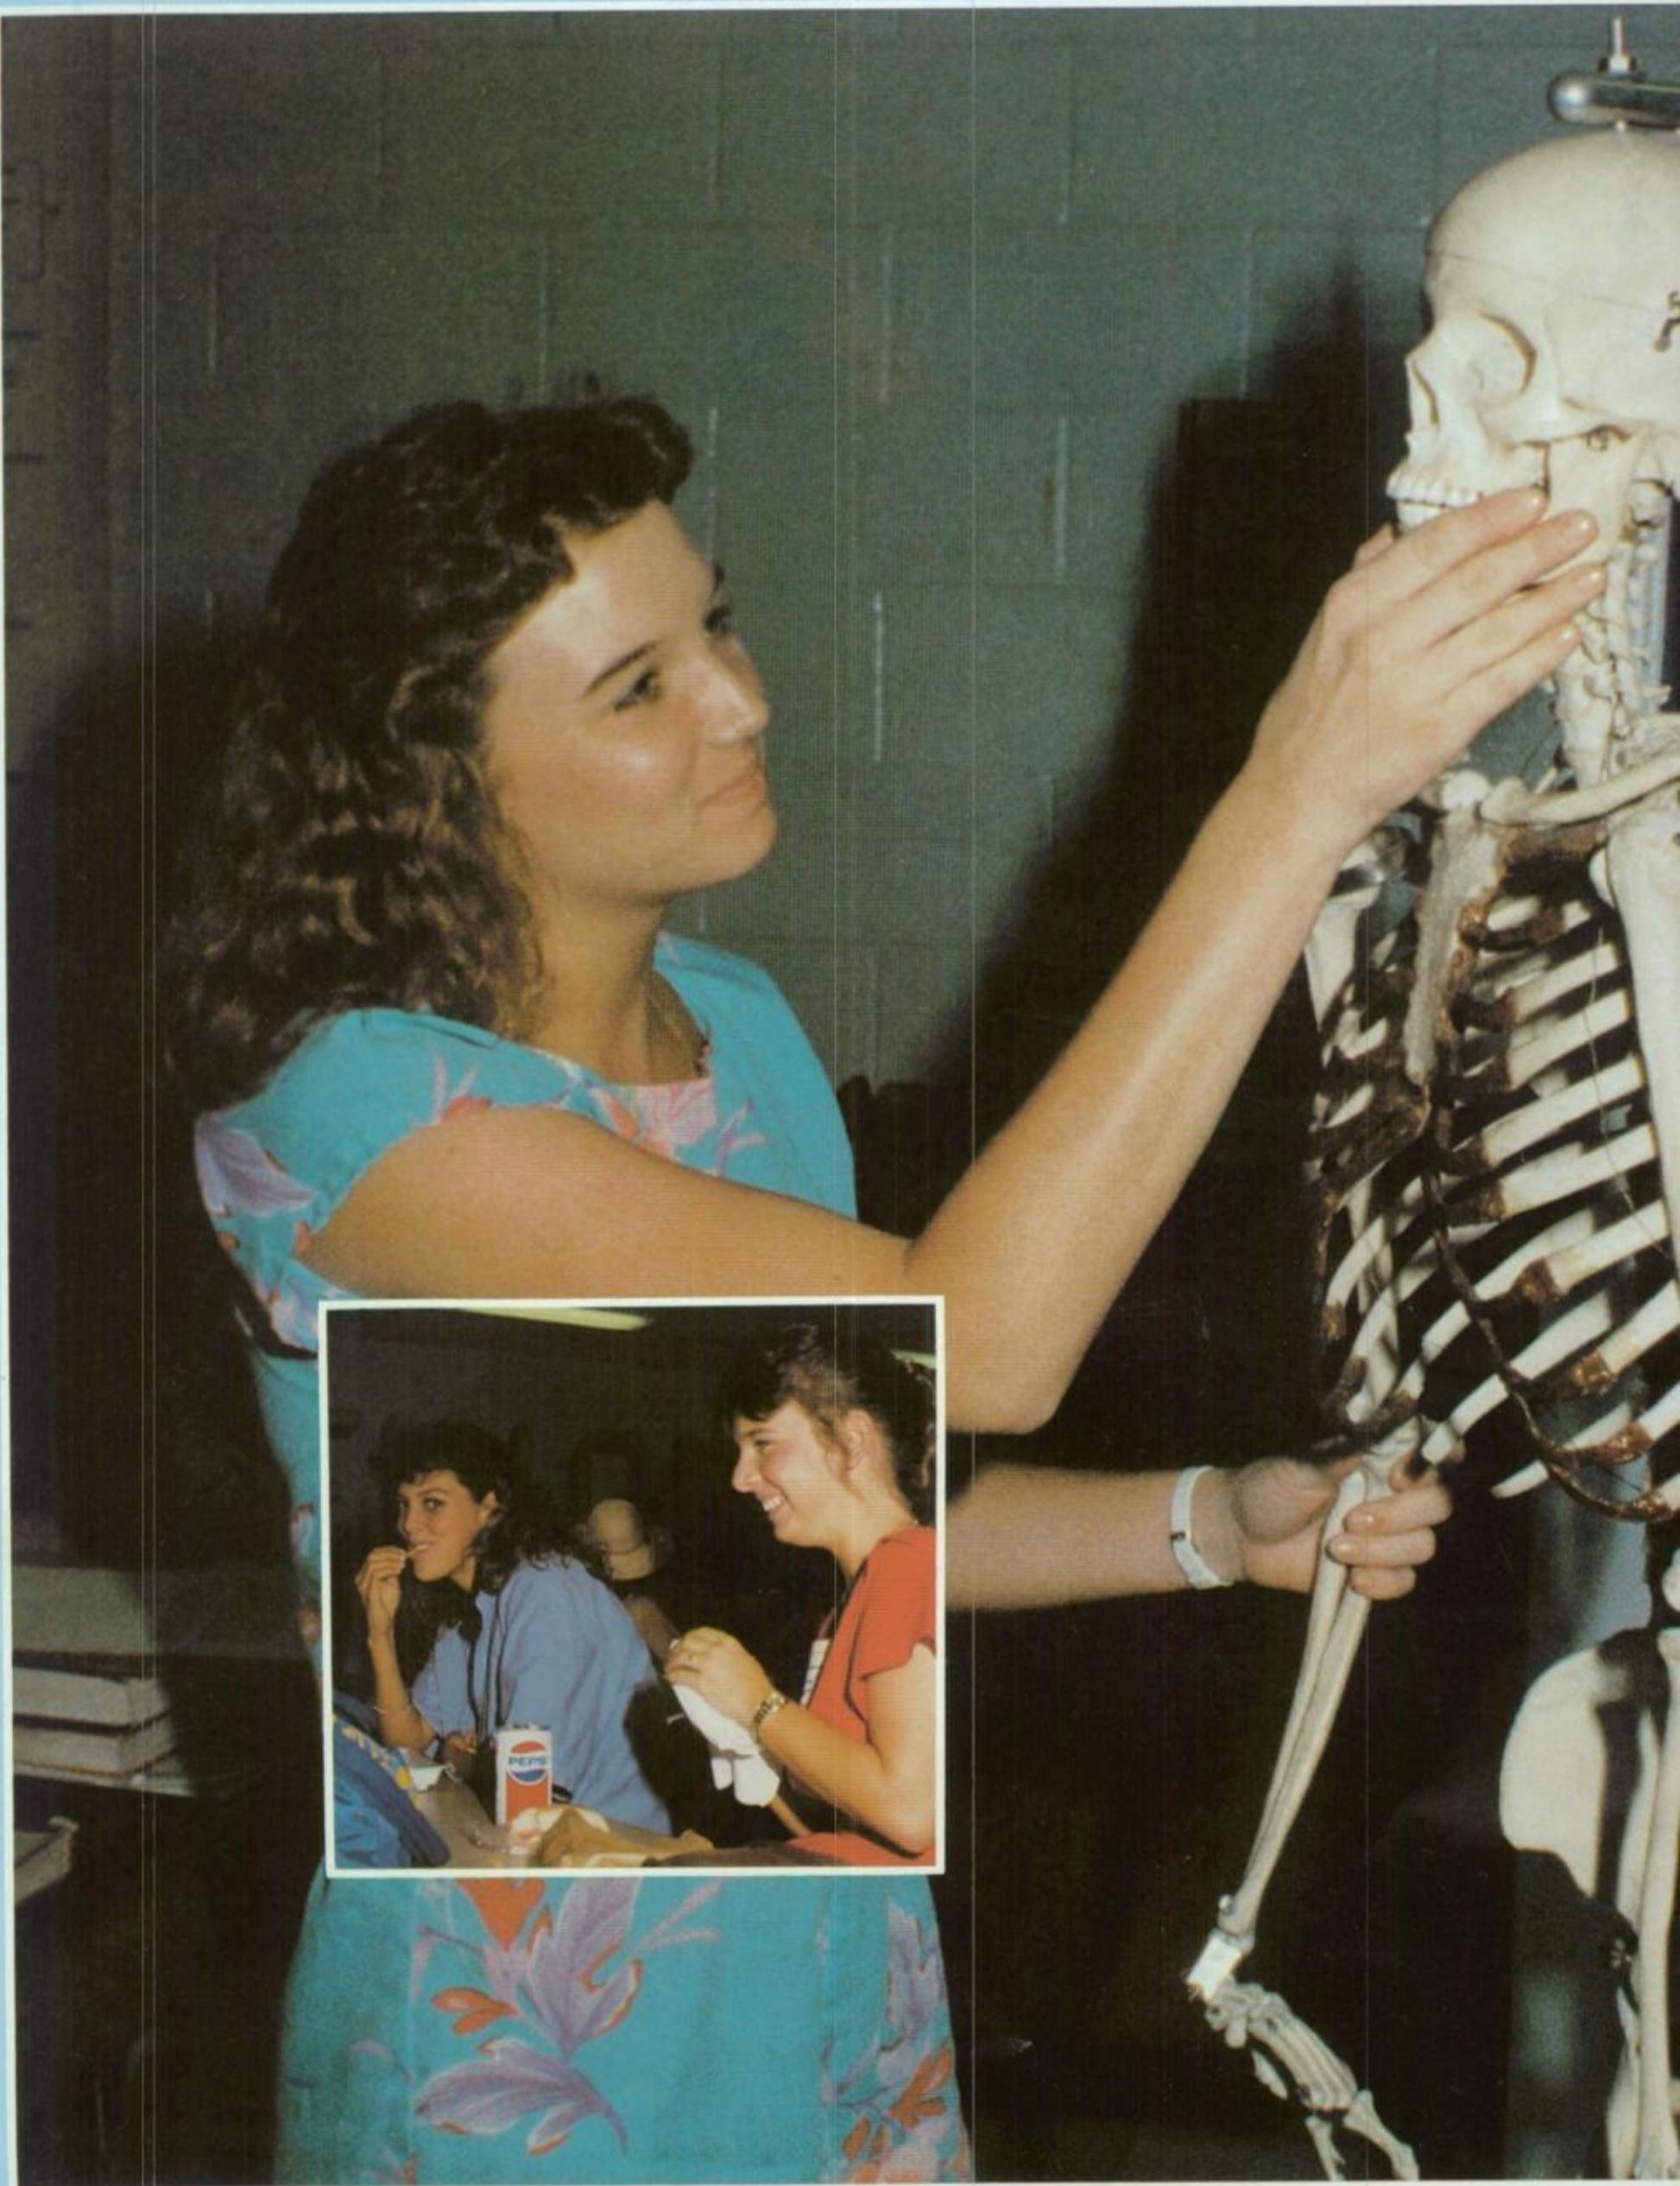

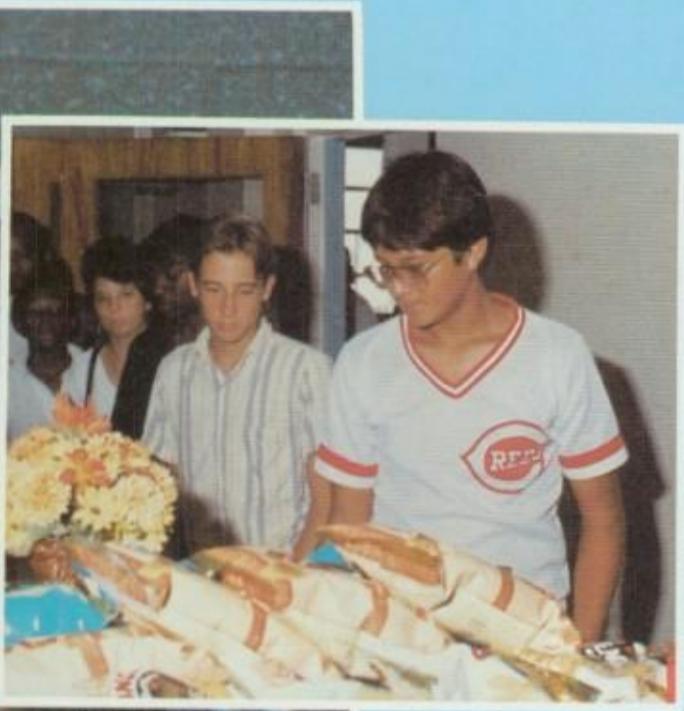

*Over the past 60 years, Titusville High School has received the latest fashions and trends. The 1920's were noted for the boyish look and flappers, the 1940's for the tailored look, the 1950's brought saddle shoes and poodle-skirts, and the 1970's were the flower children. Today we have adopted a style that is vastly different from that of the beginning of T.H.S.. There is such a variety of styles that it is hard to pinpoint a specific style for the 1980's. Some major styles of today are the surfer clothes, mini-skirts, and tailored suits. This year, each individual developed their own style which expressed their personality and separated them from everyone else.*

*There are many special places around the T.H.S. campus which characterize our "Terrier Home". The Commons Area where the graduation ceremony takes place, the walkway which is better known as the center of the campus, and Riverview, which used to be an elementary school many years ago, are just a few. Everyone has their special place on campus which they will always cherish, whether it be the social spot of the campus, or that spot where that special person said "Hi" to you. Looking out over the river, we have watched history being made many times and that is something we will remember wherever we go. No matter how hard things were to take sometimes, we will always remember the good times spent at our "Terrier Home".*

*As the end of the year draws near, we reflect upon the year with fond memories. It was an extra-special year, for everyone attending Titusville High School took part in celebrating its 60th Anniversary. The last 60 years have become a part of Titusville High School's heritage, and have built up memories that will last a lifetime. We have all contributed to Titusville High School in some way or another and are very proud to be part of it. Our ancestors have preceded us with their goals and ambitions, and now it is time for us to dream and contribute something to the world. Congratulations Titusville High School on 60 years of life and honor which will last forever.*
